

Finding a Network Vision Provider

We're proud to work with EyeMed® Vision Care as the network provider for Delta Dental members who are enrolled in either a DeltaVision® plan or in Delta Dental's vision discount program.

The EyeMed Access, Select, and Insight networks supporting our members are among the nation's largest provider networks, featuring popular retail chains and many small independent doctors as well.

on the web

- Go to www.deltadentalwi.com and select "Find A Vision Provider."

- Enter your ZIP code on the EyeMed Provider Locator screen, then click "Get Results."
- Providers in your network will appear sorted by distance from your ZIP code. You can further narrow your search by using the Filter Search Results options.
