EMPLOYEE BENEFIT HANDBOOK

SUBJECT: INTRODUCTION

This Employee Benefit Handbook (hereinafter referred to as “Handbook”) sets forth the policies and procedures of Dane County, Wisconsin. The purposes of this Handbook are: (1) to provide management with the information necessary to fulfill its responsibilities to its employees; and (2) to provide for fairness and equity in the treatment of employees. This Handbook also informs employees about what the County may generally expect from them so as to guide employees in their professional duties and in fulfilling their responsibilities as public servants.

None of the statements or policies outlined in this Handbook are meant to create a contract of employment.

To the extent this handbook conflicts with specific language in County ordinance, the specific language of the County ordinance shall control over the language of this Handbook.

Employees in positions set forth in the Handbook Wage Appendixes and defined as regular full-time or regular part-time (permanent) appointed according to the Civil Service procedure shall have all of the rights, benefits and responsibilities of this handbook. A regular full-time employee is one who is regularly scheduled to work forty (40) hours per week. A regular part-time employee is one who is regularly scheduled to work less than forty (40) hours per week.

In accordance with State and Federal law, the policies contained herein will not violate the rights of or discriminate against any employee(s) or prospective employee(s) who is or may be covered by them because of sex, sexual preference, marital status, creed, race, age, disability, physical appearance, national origin, political affiliation, religious affiliations or activities, or labor Employee Group affiliation, and the application and interpretation of the provision of this handbook shall be made subject hereto.

EMPLOYEE BENEFIT HANDBOOK

SUBJECT: ALTERNATIVE SCHEDULING

Section 1:

- a. The County places great value on promoting a family friendly workplace and employees' professional growth and development. The County realizes that alternative work schedules provide flexibility to our employees and to the people we serve. The County encourages all managers to review employee requests for an alternative work schedule and to approve them when they are practical.

EMPLOYEE BENEFIT HANDBOOK

SUBJECT: BILINGUAL CLASSIFICATION PAY

Section 1:

a. Bilingual Designated Position

A position where a designated Bilingual employee regularly uses their language skills to perform their essential job duties in two or more languages. When the client and worker speak the same language, Designated Bilingual employees provide direct language support as they serve the clients/customers directly in the client/customer's preferred language, within the purview of the normal job duties.

When a position is identified as benefitting from a language skill based on community need, Managers/supervisors can request to designate those existing positions as bilingual, and or create new positions through the County budget process with a bilingual designation.

Additionally, an employee not in a designated bilingual position who is performing their essential job duties in two or more languages can make a request to their manager/supervisor to submit a request to Employee Relations to designate their position as bilingual.

Managers should not be requiring non designated bilingual employees to perform bilingual work in positions that are not designated bilingual. A bilingual designation does not expand the essential functions and job duties assigned to the position designated as bilingual.

b. Employees, including LTEs, who are designated bi-lingual and who are in positions designated as bi-lingual (meaning that the position provides a substantial amount of service in a language other than English) shall receive a bi-lingual pay supplement of \$2.00 per hour. Incumbents currently holding a bilingual position shall not be reclassified solely to remove the bilingual classification.

Employees will not be required to complete an exception time report to earn bilingual pay. Employees in a Bilingual Pay position will continue to receive the bilingual rate of pay for all hours except any time recorded as leave without pay.

- c. This provision shall not apply to Medical Interpreter, Medical Interpreter/Hmong or Court Interpreter positions.
- d. The compensation amount for Bilingual classification will be reviewed bi-annually (in odd years) to keep pace with inflation and industry standards.
- e. Employees who requested Bilingual designation, but did not pass the examination, may request another examination. In order to request another examination, at least four months must have passed from the first examination. Employees can also submit results of previous certifications/examinations when determining if they meet the criteria to be designated bilingual for the county's consideration.
- f. Employees who were in a designated bilingual position and transfer or promote to another position where they regularly use their language skills to perform their essential job duties in two or more languages or who

EMPLOYEE BENEFIT HANDBOOK

have had an initial request for bilingual designation denied by their supervisor may request to Employee Relations to be redesignated as bilingual in their new position.

- g. The Language Access Coordinator in the Department of Human Services may submit data regarding language access requests to determine recommendations made to Employee Relations on the need for the bilingual designation fit for particular positions. Employee Relations will review the request and make a determination.
- h. The decision to designate an employee as bilingual is a managerial decision and not subject to the grievance process.

EMPLOYEE BENEFIT HANDBOOK

SUBJECT: BUS PASSES

EMPLOYEE BENEFIT HANDBOOK

SUBJECT: CALL BACK/ON CALL PAY

Section 1:

EMPLOYEE BENEFIT HANDBOOK

SUBJECT: CAREGIVER LEAVE

Section 1: General Policy

Effective December 18, 2022, the beginning of the 2023 payroll year, all Dane County Employees will receive 80 hours (prorated for less than 1.0 FTE) of Caregiver Leave once per payroll year for a qualifying leave of absence.

The purpose of this new leave benefit is to provide employees flexibility to address situations where an employee needs to provide care to an immediate family member who has a serious medical condition.

Section 2: Definitions

1. Immediate family member – shall have the meaning it does under the federal Family Medical Leave Act. Covered family members are employee's spouse, employee's domestic partner, child, or parent.
 - a. "Spouse" means a husband or wife, including those in same-sex marriages;
 - b. "Domestic partner" is defined by Wis. Stat. 770.01 (1) and means an individual who has signed and filed a declaration of domestic partnership in the office of the register of deeds of the county in which he or she resides.
 - c. "Child" means a biological, adopted or foster child; a stepchild; a legal ward; or a child of a person standing in loco parentis who is either under age 18 or age 18 or older and "incapable of self-care because of a mental or physical disability;"
 - d. "Parent" is defined as a biological, adoptive, step or foster father or mother, or any other individual who stood in loco parentis to the employee when he or she was a minor."
 - e. Family members not covered by the federal FMLA include siblings, in-laws, grandparents and other extended family members unless those individuals stood "in loco parentis" to the employee when they were a minor. Nonfamily members can also be considered to have stood in loco parentis, which is defined as having had the responsibility of providing day-to-day care to the employee and of financially supporting the employee in their childhood.
2. Eligible employee – is defined as a regular budgeted employee of Dane County who is entitled to accrue leave balances. Limited term employees are excluded from this policy.
3. Serious medical condition – shall have the meaning it does under the federal Family Medical Leave Act. Section 101(11) of FMLA defines serious health condition as "an illness, injury, impairment, or physical or mental condition that involves: (1) inpatient care in a hospital, hospice, or residential medical care facility; or (2) continuing treatment by a health care provider."

Section 3: General Provisions

1. An employee's use of Caregiver leave must run concurrently with a Leave of Absence under the Family Medical Leave Act, if an employee is eligible for FMLA. Eligible employees shall apply for and use FMLA concurrently with Caregiver Leave. Employees not eligible for FMLA shall apply for a Leave of Absence under County Ordinance 18.29(3) or under the Employee Benefit Handbook and use that leave of absence concurrently with Caregiver Leave.

EMPLOYEE BENEFIT HANDBOOK

2. Caregiver leave hours may be used in conjunction with other forms of paid or unpaid time off available to the employee. This includes, but is not limited to: sick, vacation, holiday, wellness, and unpaid time off.
3. Notwithstanding Section 3, item #2, Caregiver Leave cannot be used when Paid Parental Leave is available to the employee.
4. Except for employees in the Dane County Sheriff's Office, Badger Prairie Health Care Center, and Public Safety Communications (9-1-1), employees may use Caregiver Leave intermittently or in order to work part-time. Employees in the Dane County Sheriff's, Badger Prairie Health Care Center, and Public Safety Communications (9-1-1) must obtain prior approval from their supervisor in order to use Caregiver leave intermittently or to work on a part-time basis.
5. Employees on Caregiver Leave will continue to receive non-salary fringe benefits (health insurance, dental insurance, disability insurance, longevity credits, sick leave accrual, vacation accrual) as if on the same basis as working. Employees on Caregiver Leave will also continue to receive compensation for fixed holidays on the same basis as if working.
6. Employees may only be approved for Caregiver Leave once during a payroll year. Multiple FMLAs to provide care to more than one immediate family member does not provide the employee with an additional grant of 80 hours, however the total granted hours may be used for multiple family members during the same payroll year.
7. Employees must provide documentation and notification in a timely manner.
8. Caregiver Leave does not accrue and any time not used at the end of the payroll year will be lost.

Section 4: Procedures

1. Employees who have a family member with a serious medical condition that requires a leave of absence and wish to receive caregiver leave must fill out and complete the application for Caregiver Leave. The Caregiver Leave application will be a separate application from existing leave applications. However, the Caregiver Leave application should be submitted with the Leave of Absence request (FMLA, Employee Benefit Handbook Leave, or Ordinance Leave).
2. Employees in the Dane County Sheriff's Office, Badger Prairie Health Care Center, and Public Safety Communications (9-1-1) who wish to use Caregiver Leave intermittently or to work part-time, must obtain the prior written approval of their supervisor, and include such approval with their Caregiver Leave application.
3. Employees must provide timely documentation of the serious medical condition. A doctor should complete the health care certification section of the Leave of Absence request.
4. Employee Relations will review the application and determine if the individual is eligible. If the application qualifies for Caregiver Leave, Employee Relations will approve the application and notify the Employee.
5. Full-time employees who have had their application approved, will receive 80 hours of Caregiver Leave. Part-time employees who have had their application approved will have their benefit time prorated according to their full-time employment status. For example, 0.5 FTEs who are approved will receive 40 hours.

EMPLOYEE BENEFIT HANDBOOK

6. Employees with an existing FMLA that qualifies for Caregiver Leave, shall submit an application for Caregiver Leave. Upon receipt and review of the application, Employee Relations will notify the employee.
7. As with FMLA, employees will need to reapply for Caregiver Leave annually.

EMPLOYEE BENEFIT HANDBOOK

SUBJECT: CATASTROPHIC LEAVE DONATION POLICY-PAYROLL

Section 1:

- a. The Employee Group Representative shall receive notice of all donated leave decisions and will be copied on any written material provided to the Personnel and Finance Committee.

Section 2:

The purpose of this program is to assist regular full and part time employees who are facing financial hardship because they have exhausted all of their own paid leave time and are experiencing a catastrophic illness or injury as defined below. Decisions made under this program are not grievable. Wis. Stat. § 230.35(2r)(c), provides: No employee may grieve under an agency's grievance procedure any appointing authority's decision relating to a catastrophic leave program under this subsection or appeal any such decision to the commission under s. 230.44.

The purpose of this document is to define a process through which donated leave is requested, granted, and administered. This is a voluntary program. Employees may request donated leave, or may donate their accumulated leave hours, of their own volition. The receipt or donation of leave hours is not overseen or governed by any bargaining unit or other authoritative body.

The employer may establish, by rule, a catastrophic leave program that permits employees to donate certain types and amounts of leave credits to other employees who have been absent from pay status because of a catastrophic need for which there is no paid leave benefits or replacement income available. The employer shall determine the types and amounts of leave credits that may be donated. Wis. Stat. § 230.35(2r)(b).

DEFINITIONS

Catastrophic illness or injury: Wis. Stat. § 230.35(2r)(a) defines this as an illness or injury that incapacitates or is expected to incapacitate an employee or an employee's family member and that requires the employee to be completely absent from work for an extended period of time.

Catastrophic need: used in this policy is a catastrophic illness or injury that creates a financial hardship for the employee. A catastrophic financial need requires an extended absence from work for which there is no leave time available and the employee is not yet eligible for disability benefits.

Donated Leave: Donated leave is paid leave time that is voluntarily transferred from an employee with accumulated leave balances to Dane County's donated leave bank. Paid leave balances include unused compensatory time earned, sick leave earned, vacation earned, holiday earned, or wellness time earned by an employee.

Eligible Employee: Any full time, or part time regular employee, employed at least one full year with Dane County, who is eligible to accrue and use paid leave time, who has exhausted his or her paid leave balances and is experiencing a catastrophic illness or need.

EMPLOYEE BENEFIT HANDBOOK

Extended Absence: A continuous absence of at least one-week duration under a circumstance for which the employee was unable to accumulate leave time to cover the absence.

Family Member: As defined by Dane County's Family and Medical Leave Policy: Spouse or domestic partner, children, and parents.

Committee: Means the Catastrophic Leave Donation Committee composed of the Risk Manager, or his/her designee, the Corporation Counsel, or his/her designee, and the Employee Relations Manager, or his/her designee. The Catastrophic Leave Donation Committee will address issues related to the catastrophic leave program including reviewing applications and making eligibility determinations.

Eligibility Criteria - Applicant

In order to be eligible to receive donated leave, an employee must meet the following criteria:

- 1) The employee or eligible family member must experience a catastrophic illness or injury that requires that the employee be completely and totally off work for a defined period of time and that creates a financial need.
- 2) The medical condition must be certified by a licensed health care provider, and require continuing treatment or supervision by the health care provider. If the request is to care for an eligible family member, the certification from the licensed health care provider must verify the need for the employee to be completely off work to provide care.
- 3) There must be no other wage continuation or replacement income available or provided to the employee at the time they are receiving donated leave. Examples include, but are not limited to, disability or other insurance benefits, care giver leave, or unemployment compensation.
- 4) Employees may not delay the onset of disability insurance benefits beyond the elimination period in order to receive donated leave. The shortest elimination period under the County's current disability plans is 42 calendar days.
- 5) The employee must be a regular full time or part time employee at the time of application (LTE's and other employees who do not earn paid leave time are not eligible).
- 6) The employee must be eligible for and have received an approved, continuous (non- intermittent), Family and Medical Leave Act (FMLA) leave or other leave of absence as defined by the Civil Service ordinance or applicable bargaining agreements, for the catastrophic medical condition for which donated leave is requested. If applicable, the employee must also apply for disability benefits.
- 7) The employee must have exhausted all of his/her available personal leave balances and would be required to take leave without pay in the absence of donated leave.
- 8) The employee must complete and submit the required application along with the medical documentation (see above).

EMPLOYEE BENEFIT HANDBOOK

- 9) The employee must not have received donated leave of any amount within 24 months at the time of application
- 10) The employee must notify the Payroll Manager of any change in circumstances regarding their anticipated return to work, and anything else that impacts the donated leave request.

Eligibility criteria – Donor

1. The donor must be employed with Dane County for a minimum of one year, and must be beyond the probationary period.
2. Donors may donate earned vacation, earned sick, supplemental sick time, comp time, holiday and wellness time. Vacation hours granted for the year in advance that have not yet been earned may not be donated. Paid leave time that would otherwise be lost if not used, such as unused carryover hours, or sick hours in excess of the year-end/retirement cap, may be donated.
3. Donations must be in whole hour increments with a minimum of 4 hours
4. The donor must retain combined leave balances of at least 160 hours for their own use after the donation.
5. Upon retirement, unused Supplemental Sick Leave will be considered donated to the Catastrophic Leave Pool.

Application Process

1. Application forms are available online. All completed applications for donated leave must be returned to the County Payroll Manager.
2. An application for leave may be initiated when the applicant's combined leave balances are at or below 80 hours; however, the donated leave will not be applied until the applicant's own leave time has been exhausted.
3. The application must include the following:
 - a. pertinent employment information;
 - b. a description of the reason the applicant is requesting donated leave;
 - c. the amount of donated leave the applicant is requesting;
 - d. an authorization for the County to contact the health care provider to clarify or discuss information related to the medical condition the provider has certified;
 - e. any additional information or documentation the applicant wishes to provide.
4. The application will also require certification from a health care provider of the catastrophic illness or injury and the probable duration of that health condition. If the request is to care for a family member or member of an alternative family, the certification from the health care provider must verify the need for

EMPLOYEE BENEFIT HANDBOOK

the employee to be completely off work to provide care.

Approval Process

- 1) The Catastrophic Leave Donation Committee will review applications and measure the facts contained in the application material against the eligibility criteria. All application material and information disclosed to the Committee regarding the employee's request for donated leave will be held in confidence.
- 2) The Catastrophic Leave Donation Committee will also review other factors related to the request, including the nature of the medical condition.
- 3) Donations will not be considered unless and until the leave is approved via the process and criteria outlined in this policy.
- 4) After completing the review process, the Catastrophic Leave Donation Committee will grant or deny the employee's application for leave. The Catastrophic Leave Donation Committee may grant the entire leave amount requested, up to 240 hours (prorated hours for part time employees based on FTE), or a portion of the leave requested. If the Catastrophic Leave Donation Committee denies the request the employee will receive a letter explaining the reasons for the denial.
- 5) If donated leave is being requested for the care of a family member and the employee has already received Caregiver Leave for the same family member, any Caregiver Leave used shall be deducted from the amount of time the employee receives.
- 6) Donated leave will not be applied prior to the date of an application for Catastrophic Leave.

Review Process

- 1) If the employee believes the Catastrophic Leave Donation Committee misapplied the criteria set forth in this policy, the employee may request a review of the Committee's decision by the Personnel and Finance Committee. The employee must request the review in writing within 10 working days of the date of the denial letter.
- 2) The written request for review must be sent to the Personnel and Finance Committee and the County Payroll Manager.
- 3) The Personnel and Finance Committee will review the decision of the Catastrophic Leave Donation Committee. The Personnel and Finance Committee may affirm the denial of donated leave or grant the Employee's request for donated leave. The decision of the Personnel and Finance Committee shall be final.

Administrative Process

- 1) The County Payroll Manager will oversee the administrative process.

EMPLOYEE BENEFIT HANDBOOK

- 2) The County Payroll Manager will solicit voluntary contributions of paid leave time from employees in the 2nd and 4th quarter annually. If the pool of time becomes depleted before the next scheduled donation pool request the Payroll Manager has the authority to solicit additional voluntary donations.
- 3) Donors must respond within two weeks of the notice to donate.
- 4) The County Payroll Manager will not reveal the identity of the donors without cause.
- 5) While using donated leave, the applicant must otherwise be in an unpaid payroll status. This means that the employee must be completely and totally off the payroll, and cannot use donated hours to supplement periodic or sporadic absences from work.

Therefore, the applicant will not continue to accumulate leave time, longevity, and other benefits associated with being in paid payroll status. In addition, donated leave payments do not qualify as retirement, longevity, or incentive pay earnings. However, health and dental insurance premium contribution will continue until the later of the following: the expiration of the employee's FMLA or expiration of donated leave.

- 6) If the current payroll year ends before all of the donated leave is used the employee must begin using his/her own accrued vacation and holiday hours in the first pay period of the new year. If applicable, any remaining donated leave hours will be held and applied after the employee's own paid leave is exhausted, providing the employee is still absent from work due to the situation that prompted the initial donated leave request.
- 7) If the employee (applicant) returns to work early and has unused donated leave time remaining, that time will be returned to the County's donated leave pool.
- 8) The application can be found under forms at <https://dcinet.connect2dane.com/>

The space will have an electrical outlet, table, comfortable chair, storage space for an employee's pump, and nearby access to running water. While not feasible in all locations, the workgroup should explore if it is possible to provide space for the storage of expressed breast milk. During the review, the workgroup should survey employees at specific locations to reach out and solicit employee feedback on the facilities.

SUBJECT: OPEN COMMUNICATION

Section 1:

- a. At Dane County, we believe that communication is at the heart of good employee relations. Employees should share their concerns, seek information, provide input, and resolve work-related issues by discussing them with their supervisors until they are fully resolved. It may not be possible to achieve the results an employee wants, but the supervisor needs to attempt to explain in each case why a certain course of action is preferred. If an issue cannot be resolved at this level, the employee is welcome to discuss the issue with the manager of their department. The supervisor should set up a time for both of them to meet with the manager. If the employee's concern cannot be resolved with the manager, the employee may discuss it with the Department of Administration. The manager shall schedule that meeting for the employee.
- b. Regardless of the situation, employees should be able to openly discuss any work-related problems and concerns without fear of retaliation. Managers and supervisors are expected to listen to employee concerns, encourage their input, and seek resolution to the issues and concerns. Often this will require setting a meeting in the near future. Managers and/or supervisors are to set these meetings as quickly as possible, and employees are expected to understand that issues and concerns may not always be addressed at the moment they arise. Discussing these issues and concerns with management will help to find a mutually acceptable solution for nearly every situation.
- c. If an employee has a concern about discrimination and/or harassment, Dane County has special procedures to report and address those issues. The proper reporting procedures are set forth in the organization's Harassment Policy.

SUBJECT: RETIREMENT ENHANCEMENT PROGRAM

The Retirement Enhancement Program (REP) is designed to assist county retirees with medical costs in retirement. Medical costs include premiums for insurance, copays, deductibles and out-of-pocket medical expenses. The program applies to county employees who retire on or after January 1, 2020.

Benefit:

The benefits under the REP are to assist retirees with medical costs. For employees with ten years of verified service, but less than twenty years of service, the county will provide the retiree with five annual payments of \$5,500 each. For employees with twenty years of verified service or more, the county will provide the retiree with ten annual payments of \$5,500 each.

The first payment will be deposited to the retiree's account after the county has been notified by the Employee Trust Funds that the employee has initiated their retirement annuity with WRS, the employee has met with Precision Retirement and the employee has terminated service with the county within that payroll year. The second and subsequent payments under the program will be deposited during the month of January of each subsequent calendar year until the five or ten payments have been made.

If an active employee dies before retirement, no payments will be made. If a retiree dies, a lump sum of the value of remaining payments due will be transferred to the retiree's account for use by their surviving spouse or dependents, if any. If there is no surviving spouse or dependents, then no further payments will be made after the retiree's death.

Service Requirement:

To be eligible, employees must have a minimum of ten years of verified service with the county. Elected officials must have a minimum of ten years of verified combined service as an employee or one or more of the elected officials listed below. The term of service does include military service earned while a county employee, absences under Family Medical Leave, periods of disability, handbook or county ordinance leave, worker's compensation, or layoff status so long as the employee has not terminated employment.

Eligible Employees:

Eligible employees include regular full and part-time employees as well as the following elected officials: County Board Chair, County Clerk, Clerk of Courts, Sheriff, County Executive, County Treasurer, Register of Deeds. To be eligible, the employee or elected official must retire from county service and must collect an annuity under the Wisconsin Retirement System within 60 days of retirement.

Accounts:

Employees with leave balances go through the Prime Choice program to determine how their leave balances will be applied in retirement. Those retirees who are directed to the Medical Trust program have an account established with the third party administrator into which the county deposits funds related to their leave balances. Funds in this account are used by the retiree for medical expenses. The payments under the REP will be made into the retiree's Medical Trust Account in addition to any scheduled deposits from converted

EMPLOYEE BENEFIT HANDBOOK

leave balances.

If the retiree is directed to the Special Pay Plan or has no leave balances to convert, then they will also have a Medical Trust Account established with the third party administrator specifically to receive the payments under the REP.

Retirees receive tax-free reimbursement from the third party administrator for qualified medical expenses. Reimbursements can be for one-time expenses, or the retiree can establish recurring reimbursements for recurring expenses such as monthly premiums.

Funds from the REP benefit are available to the retiree as soon as they are deposited. Funds not needed in a calendar year remain in the retiree's individual account for future use.

Adjustments

Effective December 15, 2024, the REP will be adjusted annually, on the first day of the first pay period, by the amount of the cost of living increases provided.

SUBJECT: RETIREMENT SICK LEAVE CREDIT CONVERSION/POST RETIREMENT MEDICAL REIMBURSEMENT PLAN

Section 1:

- a. At the discretion of their supervisor retiring employees may be permitted to remain in paid status by using accrued vacation and other paid time (excluding sick leave) until such time is exhausted. Such time shall be used prior to the date of retirement. If the retiring employee's supervisor refuses such a request, the decision may be appealed to the Director of Administration who shall decide the matter and whose decision shall be final.

Section 2:

Accrued Sick Leave Credit Conversion

- a. Sick Leave Conversion. Any employee covered by this policy who either:

1. dies while a County employee, or
2. retires from County service and, within sixty (60) days of their last day paid, applies for a retirement annuity from the Wisconsin Retirement Fund and/or Social Security, shall have their hours of sick leave credit, not to exceed two thousand three hundred (2,300) hours as of their date of retirement or death, converted to a monetary value (referred to herein as their "sick leave conversion") equal to the product of their hours of sick leave credit, but not to exceed two thousand three hundred (2,300) hours, multiplied by their normal hourly rate of pay or the Conversion Rate (as further defined below) in effect as of their date of retirement or death.

The Department of Administration will determine the average hourly rate of filled management employees, the "Average Manager Hourly Rate" for each payroll year. The "Conversion Rate" for an employee will be the greater of their current normal hourly rate or the Average Manager Hourly Rate.

Such conversion shall be made as of the date (referred to herein as the "conversion date") of such employee's retirement or death. Notwithstanding the foregoing, a retiree described in this section may elect, prior to their conversion date, to delay such conversion to a later date within the ten (10)-year period following their retirement date.

Within a reasonable period after becoming covered by this policy, an employee shall complete and file a beneficiary designation form with the County, on which they shall designate the person(s) who shall receive any sick leave conversion balance remaining after the date of their death. The final payroll check will be made payable to the retiree's estate, and will be accompanied by the Beneficiary Form for proper distribution.

- b. Utilization of Sick Leave Conversion.

1. Death. The sick leave conversion of any deceased employee described in (a) (1) shall be paid, to the

EMPLOYEE BENEFIT HANDBOOK

deceased employee's estate, within sixty (60) days after notification of designated payee after the date of their death.

Section 3:

Post-Retirement Leave Conversion Medical Reimbursement Plan

a. Purpose:

Dane County has adopted a Post-Retirement Leave Conversion Medical Reimbursement Plan (hereinafter, "Medical Plan") and a Governmental 401(a) Special Pay Plan (hereinafter, "Retirement Plan") (together called the "Plans") to allow retiring employees to convert accumulated leave into a supplemental retirement benefit on a mandatory basis.

b. General

The Plans are intended to allow some flexibility in the conversion of the unused accumulated leave. Dane County will apply a formula, set forth in section d below, to convert a retiring employee's unused accumulated leave (hereinafter, "Benefit"). The benefit will be paid to the retiring employee through a supplemental benefit plan.

It is the County's intention that, to the extent permitted by law, the benefits provided by the plan not be subject to FICA taxes. In addition, to the extent permitted by law, these benefits are to be tax deferred for both federal and State income tax until the retiree withdraws them from the plan. However, the County makes no warranties or representations regarding the tax treatment of any contribution made or amount received under the Plan. Employees should consult their own tax advisor to determine how to treat the supplemental benefits provided by the Plan.

Under the Plans, employees will continue to be allowed to defer their enrollment in the County's health and dental plans for a period of up to ten years after their retirement, provided that they were participating in the health and/or dental plans at their retirement.

c. Eligibility

The conversion of unused leave is automatic and mandatory upon retirement and all retiring employees with unused accumulated leave on the date of their retirement will participate in the Plan.

To "retire" and be eligible for this Plan, an employee must have reached or will reach age fifty-five (55), or age 50 for protective service employees, or older, during the calendar year of retirement, must retire from employment with the County, and be eligible for retirement benefits from the Wisconsin Retirement System (re-hired annuitants are not eligible to retire again from the County).

d. Calculation of Benefit

1. Sick Leave: An employee who retires with Dane County shall receive a Benefit for the number of hours of unused accumulated sick leave held by the retiring employee on his or her date of retirement, based on the following formula: Total hours of accumulated sick leave to a maximum of 2,300 x regular hourly rate of pay or Conversion rate at time of retirement.
2. Vacation: Total hours of earned vacation leave x regular rate of pay including longevity pay at time of retirement.

EMPLOYEE BENEFIT HANDBOOK

3. Sabbatical bank: Total hours in the employee's sabbatical bank x regular rate of pay including longevity pay at time of retirement.
4. Holiday pay: Total hours of holiday pay x regular rate of pay including longevity pay at time of retirement.

e. Payment of Benefits:

1. Dane County, no later than fifteen (15) days after the following the final pay date of the retiring employee, shall make a contribution equal to 100% of the amount calculated under d.2 and d.4 to the 401(a) Retirement Plan Trust and/or 457(f) qualified deferred compensation plan in the amount of the Benefit, which shall be paid to the retiring employee according to the terms of the selected plan. Plan selection shall be based upon the age of the participant and the amount of the contribution in an effort to maximize participant tax savings without subjecting plan participants to IRS premature withdrawal penalties if applicable.
2. Election of Form of Benefit: Within thirty (30) days of receiving written notice of an employee's retirement, Dane County shall elect the form in which the retiring employee will receive the benefit under d.1 and d.3. The County's election of the form of benefit will be based on an interview with the retiree to collect information regarding the retiree's financial needs and/or retiree access to health care. The interview will be conducted by representatives of the Plan provider. At the option of the retiree, he or she may be accompanied by an Employee Group Representative, or a representative of their choosing. The County and/or Plan provider shall notify retiring employees of their right to have a representative present. The Benefit can only be paid to the retiring employee in one of the forms set forth in paragraph 5.3. Dane County will notify the retiring employee in writing (within the thirty (30) day time period identified above) of the election made by Dane County.
3. Form of Payment: Retiring employees who are eligible to receive a benefit under d.1 and d.3 will be paid the Benefit in one of the following forms, pursuant to the election made in paragraph e.2:
 - a. Dane County shall make an annual contribution to the PRIME Trust, or the Medical Plan Trust (selected by the parties) for the benefit of the employee to pay for health, dental, and other insurance premiums and un-reimbursed medical expenses specified under Internal Revenue Code Section 213. The annual contribution will be equal to 135% of the annual cost of health and dental insurance premiums for County sponsored insurance for the retiree and dependent(s), if any. If the retiree chooses a non-County sponsored plan, the annual contribution will be equal to 135% of the annual cost of the health and dental insurance premiums for the retiree and dependent(s), if any, plus the amount of the plan deductible up to \$5,000 per person (\$10,000 maximum) or 135% of the cost of the Single (HMO) premium annually, whichever is greater. If the retiree's health and/or dental insurance premium cost increases during the calendar year, the retiree shall notify the County and the County will make a supplemental contribution equal to 100% of the additional premium amount for that calendar year. The annual contributions will continue until the benefit amount calculated in d.1 and d.3 is exhausted by the retiree or their qualified dependent beneficiaries. If the retiree participates in outside insurance, it is the responsibility of the retiree to notify the County and provide documentation of any premium change including annual increases.

EMPLOYEE BENEFIT HANDBOOK

- b. The County shall notify the Plan Administrator about any premium changes no later than October 1 prior to the effective date of the premium increase. The Plan Administrator shall notify all retirees about specifics of the premium changes, if any, no later than October 31 prior to the effective date of any increase. Retirees must notify the County of any change in the plan(s) that they will enroll in by November 15 of the preceding year. If the County does not receive such notification, the annual contribution amount shall be based upon the plan(s) that they are currently in.
- c. For retirees who defer their participation in the County's health and or dental insurance plans, contributions will commence once the retiree begins participation in the County's health and or dental plans. If a retiree initially defers participation in the County's health and or dental plan, and during the deferral period, determines to never participate in the County's health and or dental plans, then the County will begin making an annual contribution equal to 135% of the family HMO health plan and the family dental plan. Such contributions will commence upon notice by the retiree to decline coverage or at the end of 10 years following retirement, whichever comes first.
- d. An annual contribution of 35% of the cost of the Single (HMO) premium shall be made for retirees who choose to defer their participation in the County's health and/or dental insurance plans.
- e. If the retiree dies before the balance is exhausted and has no surviving spouse or dependents, the County will make a payment of the remaining balance to the retiree's estate. This distribution will be subject to income tax.
- f. Dane County shall make a contribution equal to 100% of the amount calculated in d.1 and d.3 to the Retirement Plan Trust and/or 457(f) qualified deferred compensation plan (selected at Dane County's discretion) in the amount of the Benefit, which shall be paid to the retiring employee according to the terms of the selected plan. Said contribution shall be made no later than twenty- one (21) days following the date on which an employee retires.
- g. Plan Administrator
Dane County is hereby designated as the Plan Administrator. The Plan Administrator shall have the authority to control and manage the operation and administration of the Plan, including the authority to make and enforce reasonable rules or regulations for the efficient administration of the Plan. The Plan Administrator shall give reasonable notice of the availability and terms of the Plan to employees and shall keep accurate records of all benefits paid under the Plan.
- h. Miscellaneous
This Plan shall be constructed and enforced according to the laws of the State of Wisconsin, where Dane County is located.
- i. This document is descriptive only, and is subject in all regard to the documents establishing the Medical Plan and the Retirement Plan.
- j. If this program becomes unavailable for any reason or if the terms of the program change in a way that may result in additional costs to the employee or to the County, the County shall utilize the process set forth in Dane County Civil Service Ordinance, section 18.24 to discuss the provisions of this policy.

- b. Salary Deductions. When it is necessary to make a deduction from salary or wages for time away from work, such deduction shall be equal to the number of hours missed, multiplied by the hourly rate as shown in wage schedules.

Section 2:

This Section shall not be construed to prevent the County from creating new classified positions within the salary structure shown. The County shall notify all employees of the creation of any new job classification and provide the job description by posting it on the Employee Relations website, with subscription options for interested stakeholders to receive notices. The Employee Group Representative or an interested stakeholder shall have the right to grieve the placement of the classification in the pay structure within ten (10) days after receipt of notice.
- b. The County agrees that it will not hire an employee for any position in the employee group at a step placement greater than the entry level step for the appropriate classification without first providing at least ten (10) days written notice to the Employee Group Representative. The Employee Group Representative shall have the right to meet with the appropriate department head and the County Executive or designee to discuss the matter prior to the hire. The County Executive must approve the rate at which the employee is ultimately hired.
- c. Merit Steps. Employees shall be hired at no less than the first minimum step of their classification and shall be advanced to the second step or the next higher step effective as of the first day of the first biweekly pay period after employee has earned six and one-half (6.50) longevity credits. Following the 2nd step of the salary range, employees shall be advanced one (1) step in their classification salary range for each additional thirteen (13) longevity credits earned unless thirty (30) days prior to the merit step date the department head notifies the employee and the Human Resources Director in writing that the merit step increase is being denied.
- d. Half-Step Pay Increments. Employees may request half steps at any step in the wage scale. Half steps cannot be waived as long as the employee has not reached Step 40.

- e. Employees who are promoted shall be advanced not less than one step upon advancement, which shall not be below the first step of the range of their new classification. SUBJECT: SICK LEAVE

Section 1:

- a. Sick Leave Definition. Sick leave shall be defined as time off the job with pay because of: illness, bodily injury, exposure to a contagious disease, attendance upon members of the immediate family; and diagnostic treatment, dental procedures and opticians services when such services are performed by duly licensed practitioners.
- b. Immediate Family Definition. An employee's immediate family shall be the following relations of the employee, their spouse or their Domestic Partner: spouse, children, step-children, foster children, siblings, step-siblings, parents, step-parents, foster parents, grandchildren, grandparents, brother-in-law, sister-in-law, son-in-law and daughter-in-law. Also included are other relatives of the employee, spouse or Domestic Partner residing in the employee's household. Domestic Partner shall be defined as provided in chapter 18 of the ordinance.
- c. Sick Leave with Pay Credits. All full-time employees covered by this policy shall be granted sick leave with pay credit at the rate of five and a half (5.5) hours of sick leave for each bi-weekly pay period during which an employee receives compensation for forty (40) or more hours of work or the equivalent compensation. Part-time employees shall earn sick leave credits on pro-rata basis.
- d. The maximum accumulation of sick leave shall not exceed two thousand three hundred (2,300) hours on the last date of each payroll year.
- e. Use of Sick Leave Credits. Employees shall inform their supervisor or department head as is appropriate of their need to be absent prior to their regularly scheduled starting time the first day and each day thereafter when return to work is doubtful; when their absence can be anticipated because of an appointment, such notice shall precede the absence by five (5) days when possible. The time off on sick leave for such appointments as are necessary shall be the minimum time required by the employee; but where it is possible for the employee to do so and in the interests of departmental efficiency, such appointments will be scheduled as near as possible to the end of the work day.
 1. Employees may use sick leave credits for temporary emergency care of ill or injured members of their immediate family (defined above), not to exceed five (5) days for any one (1) illness or injury; however, the five (5) days may be extended in unusual circumstances with prior County approval.
 2. Employees may use sick leave credits for temporary emergency care of children in the event inclement weather or an outbreak of an unexpected illness closes schools or child care facilities. Employees may be asked to provide proof of enrollment in the facility and proof of the facility's closure.
 3. If an employee is absent from work for any of the reasons set forth under the sick leave definition above, and at such time has accumulated insufficient sick leave credits to cover the time lost, the amount of time lost shall be deducted from current earnings of said employee, provided, however, that for each month worked during such calendar year by said employee during which no sick leave is taken, said employee shall be reimbursed for the time they had lost as a consequence of the insufficient accumulation of sick leave credits.
 4. Employees may at their option use vacation credits, holiday credits, or compensatory time due, to extend

EMPLOYEE BENEFIT HANDBOOK

sick leave.

5. Employees may use vacation or holiday time in lieu of sick leave. Substituting other leave time for sick leave does not relieve the employee of any obligation to follow call in procedures. Absences may be used in evaluating general attendance, absenteeism, and specific violations of attendance policies regardless of the type of leave time that is used unless such leave time was previously approved by an employee's supervisor.
 6. Notwithstanding subsection three (3) above, employees will be able to use the sick leave that they will earn in payroll year immediately without incurring a deduction in their earnings for unaccumulated sick leave credits. Employees who begin the payroll year with a negative balance in sick leave credits, may not use sick leave without incurring a deduction in their earnings for unaccumulated sick leave credits until their sick leave credits balance returns to zero. If an employee's employment with the County terminates with a negative sick leave balance, the County shall recover these funds through a deduction in the employee's final pay or other legal process.
- f. Physical Examination by County Doctor. In the event that an employee shall have been absent under the provisions of this policy and returns to work without release from their own doctor, satisfactory to the County, the County shall have the right to direct the employee to a doctor selected and paid by the County. In the event that the employee shall be found fit to return to work, they shall be made whole for any necessary travel expense or loss of earnings incurred as a result of being directed to the County Doctor. The County may require at the County's expense a medical certificate or other appropriate verification of sick leave absence.
- g. Supplemental Sick Leave Bank. If an employee has reached the maximum number of hours allowed for conversion at retirement (the "cap"), the County will automatically deposit unused, accrued sick leave hours above the cap into a supplemental sick leave bank at the end of each payroll year. The hours deposited in the supplemental sick leave bank may be used during any absence caused by a medical condition that would be covered under the Family and Medical Leave Act (FMLA). The condition must be confirmed in writing by the treating physician, but the County will not require employees to submit the Health Care Provider Certification required for an FMLA leave. Employees may use the supplemental sick leave bank even if they have exhausted the number of hours available under the limitations of the FMLA during a rolling calendar year. The number of hours deposited in the supplemental sick leave bank shall be limited to 480 hours.
