THIS AGREEMENT, made and entered into at the City of Madison, Wisconsin, by and between the County of Dane, a municipal corporation, as municipal employer, and representatives of certain employees who are employed by the County of Dane in the Sheriff's Department.

ARTICLE I - INTENT AND PURPOSE

1.01. It is intended that the following Agreement shall be an implementation of the provisions of 111.70 of the Wisconsin Statutes, consistent with that legislative authority which devolves upon the County of Dane, the statutes and, insofar as applicable, the rules and regulations relating to or promulgated by the Dane County Civil Service Ordinance. The Dane County Civil Service Ordinance shall govern the conditions of employment wherever this contract is fully silent.

1.02 Both of the parties to this Agreement are desirous of reaching an amicable understanding with respect to the employer-employee relationship which exists between them and to enter into an Agreement covering rates of pay, hours of work, and conditions of employment.

1.03 In accordance with 111.70 Wisconsin State Statutes, Dane County Civil Service Ordinance and other appropriate public law, the Employer and the Law Enforcement Employee Relations Division of the Wisconsin Professional Police Association agree that their respective policies will not violate the rights or discriminate against any employees covered by this Agreement because of sex, creed, race, age, national origin, Union or non-Union affiliation or in the application or interpretation of the provisions of this Agreement. As a further pledge of the Employer's and Union's non-discrimination policy; complaints or allegations of discrimination will be referred to the appropriate resolution channels as established by law and shall not be covered by this contract's grievance procedure.

ARTICLE II - RECOGNITION

2.01 The municipal employer recognizes the Law Enforcement Employee Relations Division of the Wisconsin Professional Police Association as the exclusive bargaining representative of all regular full-time deputy sheriffs in the Sheriff's Department and D.A. Investigators excluding the Captains, Sergeants, Lieutenants, and Chief Deputy, who have chosen the Union to represent them for the purposes of negotiation in relation to wages, hours and conditions of employment.

ARTICLE III - MANAGEMENT RIGHTS

3.01 The Law Enforcement Employee Relations Division of the Wisconsin Professional Police Association for and on behalf of the Dane County Deputy Sheriffs Association recognizes the prerogatives of the County to operate and manage its affairs in all respects in accordance with its responsibility and powers of authority which the County has not officially abridged, delegated, or modified by this Agreement and such powers or authority

are retained by the County. These management rights include, but are not limited to the following: the rights to plan, direct and control the operation of the work force, determine the size and composition of the work force, to hire, to lay off, to discipline or discharge for just cause, to establish and enforce reasonable rules of conduct, to introduce new or improved methods of operation, to determine and uniformly enforce minimum standards of performance, all of which shall be in compliance with and subject to the provisions of this Agreement.

ARTICLE IV - DUES DEDUCTION

4.01 Dues Deduction.

(a) The Employer agrees to deduct monthly dues in the amount certified by the WPPA/LEER from the pay of employees who individually sign a dues deduction authorization form supplied by the WPPA/LEER. This deduction shall include any Local Association dues which the employee has authorized to be deducted in conjunction with the WPPA/LEER dues (the "combined dues").

(b) It shall be WPPA/LEER's responsibility to obtain dues authorization forms from new employees and provide them to employer no less than 30 days prior to the date in which dues deductions are to commence.

(c) The Employer shall deduct the combined dues amount each month for each employee requesting such deduction, upon receipt of such form and shall remit the total of such deductions, with a list of employees from whom such sums have been deducted, to the WPPA/LEER or Local Association if applicable, in one lump sum not later than the end of the month in which the deduction is made.

(d) Authorization of dues deduction by a voluntary member may be revoked upon notice in writing to the Employer, WPPA or to the Local Association.

(e) No employee shall be required to join the Association, but membership in the Association shall be made available to all employees in the bargaining unit who apply consistently with either the WPPA or local Association Constitution and By-Laws. No employee shall be denied membership because of race, creed, color, sex or other legally protected class status.

(f) It is expressly understood and agreed that WPPA/LEER will refund to the employer or the employee involved any dues erroneously deducted by the employer and paid to WPPA/LEER and/or the Local Association. The WPPA/LEER does hereby indemnify and shall save the employer harmless against any and all claims, demands, suits or other forms of liability, including court costs, that shall arise out of or by reason of action taken or not taken by the employer, which employer action or non-action is in compliance with the provisions of this Article, and in reliance on any lists or certificates which have been furnished to the employer pursuant to this Article.

ARTICLE V - SENIORITY, REDUCTION IN FORCE & REEMPLOYMENT

5.01 Seniority Definition. Each employee shall accumulate or lose seniority as follows:

(a) While on probation, employees shall not acquire seniority. Upon completion of probation, employees shall receive seniority credits retroactive to the date of employment.

(b) Seniority shall be measured by the number of longevity credits as defined in Article VII, 7.07. Seniority shall be determined within rank and by date of promotion within such rank.

(c) Seniority shall be terminated and lost when:

- 1) an employee resigns, retires or is discharged for just cause;
- 2) the employee fails to respond to a recall from lay off in accordance with Article V, 5.02.

(d) Choice of work shifts as openings occur and vacation shall be by seniority.

5.02 Layoff and Reemployment. The employer shall have the right to layoff by classification. In the event of a layoff, employees shall be laid off by classification in inverse order of bargaining unit seniority.

An employee initially selected for layoff shall be permitted to displace the least senior employee in the bargaining unit in an equal or lower paying classification (does not apply to D. A. Investigators). Employees displaced pursuant to this procedure shall be allowed the same displacement right, if they have sufficient bargaining unit seniority. The Employer shall maintain a reemployment list of all employees who lose their jobs due to a reduction in force.

Such lists shall be in the order of the employee's seniority at the time of the reduction in force with the most senior being number one on the list. Such lists shall also show the classification(s) for which employees are qualified by their department. Employees on the reemployment list shall maintain reemployment rights and promotional appointment rights for two years from the date they lost their jobs. Employees shall be recalled from the reemployment list in accordance with their seniority to the jobs for which they are qualified. Notice of reemployment shall be sent by the Employer by certified mail to the employee's last known address and the employee shall be required to respond within seven (7) days from the date of notification. Employees who do not respond to such reemployment notices, shall be dropped from the reemployment list and all rights shall be lost.

5.03 Layoff Notices. The union will be given 90 days prior notice before the County lays off any bargaining unit member as proposed in the Executive Budget issued on October 1 of each year.

The County will provide at least 30 days' notice to the employee and the union prior to laying off any bargaining unit member outside of the Budget cycle with the reasons for the layoff stated in the notice.

ARTICLE VI - GRIEVANCE PROCEDURE

6.01 Grievance. A grievance is defined to be a controversy between the Union and the Employer, or between any Employee or Employees and the Employer as to:

(a) A matter involving the interpretation of this Agreement,

(b) Any matter involving an alleged violation of this Agreement in which an Employee or group of employees or the Employer maintains that any of their rights or privileges have been impaired in violation of this Agreement.

6.02 Procedure. Grievances shall be processed in the following manner: (Time limits set forth shall be exclusive of Saturdays, Sundays and holidays.)

Step 1. The Employee and/or the Committee Chairman shall take the grievance up orally with the Employee's immediate supervisor within ten (10) days of their knowledge of the occurrence of the event causing the grievance, which shall not be more than 14 days after the event. The supervisor shall attempt to make a mutually satisfactory adjustment and, in any event, shall be required to give an answer within ten (10) days.

Step 2. The grievance shall be considered settled in Step 1 unless, within ten (10) days after the supervisor's answer is due, the grievance is reduced to writing and presented to the department head. The department head shall respond to the grievance in writing within ten (10) days.

Step 3. The grievance shall be considered settled in Step 2, unless within ten (10) days from the date of the department head's written answer or last date due, the grievance is presented in writing to the County Executive or designee. The County Executive or designee shall upon request meet with the grievant and/or the grievant's representative(s) within ten (10) days of receipt of the grievance and shall respond in writing to the Committee Chairman, grievance committee or employee representative within ten (10) days of the meeting or if no meeting is requested within ten (10) days of receipt of the grievance.

Step 4. If an employee grievance is not settled at the third step, either party may take the matter to arbitration as hereinafter provided.

6.03 Arbitration.

(a) The grievance shall be considered settled in Step 3 above unless within ten (10) days after the last response is received or due, the dissatisfied party (either party) shall request in writing to the other that the dispute be submitted to an impartial Umpire.

(b) The impartial Umpire or Arbitrator shall, if possible, be mutually agreed upon by the parties. If agreement on the Arbitrator is not reached within ten (10) days after the date of the notice requesting arbitration or if the parties do not agree upon method of selecting an Arbitrator, then the Wisconsin Employment Relations Commission shall be requested to submit a panel of five (5) Arbitrators. The parties shall alternately strike names until one remains and the party requesting arbitration shall be the first to strike a name. Each party shall pay one-half of the cost of the Arbitrator.

(c) The impartial Arbitrator shall have the authority to determine issues concerning the interpretation and application of all Articles or Sections of this Agreement. They shall have no authority to change any part; however, they may make recommendations for changes when in their opinion such changes would add clarity or brevity which might avoid future disagreements.

(d) With the exception of matters covered in Article VI, 6.05, the written decision of the Arbitrator, in conformity with their jurisdiction, shall be final and binding upon both parties, but shall not constitute a binding precedent in connection with future negotiations.

6.04 General Grievances. Grievances involving the general interpretation, application or compliance with this agreement may be initiated with the third step of the procedure.

6.05 Discipline, Suspension, Discharge. Employees shall not be disciplined, suspended, or discharged without just cause. Written notice of the suspension, discipline or discharge and the reason or reasons for the action shall be given to the Employee with a copy to the Association within twenty-four (24) hours. Employees may choose to challenge discipline (excluding reprimands) pursuant to the Civil Service Ordinance of Dane County or pursuant to binding arbitration under Article VI of the labor contract. The decision of an arbitrator shall be final and binding on the parties. This choice must be exercised in writing within ten (10) business days of receipt of notice of discipline. (Business days exclude weekends and holidays). Employees who choose arbitration must sign a statement waiving the continuation of pay provisions of Chapter 59, Wis. Stats. and shall file a grievance within the aforementioned ten (10) day period or said grievance shall be waived.

The grievance may be started at Step 2 or Step 3. If the parties agree, or the Arbitrator finds that such discipline, suspension or discharge was improper, such disposition of the matter may be made as appears proper to the Arbitrator or mutually agreed upon by both parties.

6.06 Time. The time limits set forth in the foregoing steps may be extended by mutual agreement in writing.

Employees in Range 15, steps 1-7, Range 16 & 17, steps 1-5 shall be advanced to the next higher step effective as of the first day of the first bi-weekly pay period after employee has earned thirteen (13) longevity credits per step.

** Employees shall be immediately placed at Range 15, Step 8, and Range 16 & 17, Step 6 when their total longevity credits earned are 169 or greater but less than 260.

*** Employees shall be immediately placed into Range 15, Step 9, and Range 16 & 17, Step 7, when their total longevity credits earned are 260 or greater.

7.02 Work Day/Work Week. The basic scheduled workday shall consist of eight (8) hours and the basic scheduled workweek of forty (40) hours except that the Employer may, for those employees assigned to MATE (Marine and Trail Enforcement) or Airport may assign a workweek which consists of four (4) consecutive ten-hour days. No other change in the length of the existing work-day or workweek is intended. However, the average annual workweek for Sheriff's employees shall be 37.5 hours as set forth in 7.03 below. Employees shall first be given the opportunity to work the ten-hour day schedule on a voluntary basis. In the event that less employees request said schedule on a voluntary basis than are deemed necessary by Employer, employees shall be assigned to this schedule in the reverse order of seniority. Employees, who work in excess of their scheduled workday or workweek, shall be compensated for such excess as defined in 14.01 of this Agreement.

Deputies assigned to the duties of Community Deputy may work flexible work hours but will be consecutive eight-hour shifts in accordance with the collective bargaining agreement. Daily starting and ending times will be coordinated with, and approved by, the precinct commander. These adjustments are necessary to allow each community deputy the flexibility to meet with people who are not available during daytime hours and to attend various meetings. Community deputies will work primarily Monday through Friday, with appropriate time off to accommodate the 37.5-hour workweek. Each community deputy will have the discretion and flexibility (with approval of the precinct commander) to adjust their schedule to accommodate the needs of the position. If community needs require that the community deputy work on a weekend day, the deputy will be able to adjust their schedule to assure at least two consecutive days off during the week.

7.03 Work Schedule. All Sheriff's employees in the collective bargaining unit shall have a thirty-seven and one-half (37.5) hour workweek. Wherever possible, work schedules for all Sheriff's employees in the bargaining unit shall consist of a 6-3 work cycle; if not possible, such as for persons who work Monday through Friday, a repeating 5-2, 5-2, 4-3, 5-2, 5-3, 4-2 schedule shall be followed but consisting of a thirty-seven and one half (37.5) hour work week. Deviations in such daily work hours may be made without provisions of 14.01 applying provided appropriate notice is given. Appropriate notice shall mean by the preceding 11:00 p.m. for the first shift, by the preceding 7:00 a.m. for second shift or by the preceding 3:00 p.m. for the night shift. Members of a designated Team may have their hours changed for prescheduled Team work assignments with 72 hours' notice. This provision shall be limited to "Mifflin Street Block Party," "State Street Halloween Event" and any other event mutually agreed upon by the parties.

7.04 Probationary Period. Newly hired employees classified as Deputy Sheriff I shall serve a probationary training and evaluation period of two (2) years within which such employees shall not be covered by the grievance procedure for discharge actions. Deputy Sheriff I probationary employees shall receive a step increase at the end of thirteen longevity (13) credits or twelve (12) months of service. Upon successful completion of the probationary training and evaluation period, such new employees will attain Deputy Sheriff II status at the beginning of

the pay period following the second anniversary of the employee's date of hire. Notwithstanding the above language, the County reserves the right to extend the probationary period, with notice to the employee and the Association. The extension of probation will not affect scheduled wage increases or other scheduled benefits. Newly hired District Attorney Investigators shall serve a probationary period of thirteen (13) longevity credits or one year.

Probationary District Attorney Investigators shall not have recourse to the grievance procedure for disciplinary actions.

7.05 Deputy Sheriff III. Those filling Deputy Sheriff III positions may be reduced in pay to a Deputy II pay range step consistent with their length of service if they do not perform their job to the satisfaction of the Sheriff and if they were notified of the possibility of such action at least thirty (30) days in advance of it by their supervisor. Such a reduction in pay shall be in effect for up to sixty (60) days without recourse to the grievance or Civil Service appeal procedure. Such employees so reduced in pay shall continue in their Deputy III position for the period in which their pay has been reduced; however within ten (10) days after the reduced pay period has elapsed, the Sheriff shall reinstate the employee to their Deputy III pay status or demote said employee to a Deputy II position with said demotion being grievable under Article VI of this Agreement except as provided for under 9.01(b) of this agreement.

After any employee has been reinstated from a reduced Deputy II pay status to their Deputy III pay status, they may not again be reduced in pay as provided above for a minimum period of ninety (90) days following reinstatement.

7.051 Deputy Sheriff IV Those filling Deputy Sheriff IV positions may be reduced in pay to a Deputy II pay range step consistent with their length of service if they do not perform their job to the satisfaction of the Sheriff and if they were notified of the possibility of such action at least thirty (30) days in advance of it by their supervisor. Such a reduction in pay shall be in effect for up to sixty (60) days without recourse to the grievance or Civil Service appeal procedure. Such employees so reduced in pay shall continue in their Deputy IV position for the period in which their pay has been reduced; however within ten (10) days after the reduced pay period has elapsed, the Sheriff shall reinstate the employee to their Deputy IV pay status or demote said employee to a Deputy II or Deputy III (whichever they held prior) position with said demotion being grievable under Article VI of this Agreement except as provided for under 9.01(b) of this agreement.

After any employee has been reinstated from a reduced Deputy II or Deputy III pay status to their Deputy IV pay status, they may not again be reduced in pay as provided above for a minimum period of ninety (90) days following reinstatement.

Deputy IV (Detectives) assigned to the Dane County Narcotics and Gang Task Force will normally be assigned for a period of four (4) years with an option of one year extension at the discretion of the Sheriff. Exceptions are available for those who

choose to leave the unit early, who promote out of the bargaining unit, or who leave by mutual agreement between the detective and their supervisor. However, management retains the right to terminate the assignment based on performance. Such reassignment is not to be considered discipline.

These Deputy Sheriff IV positions set no precedent for other job classifications. Furthermore, the above provisions do not exclude other disciplinary actions being taken with Deputy Sheriff IV incumbents including suspension, demotion and discharge with such actions being grievable under Article VI of this agreement except as provided for under 9.01(b) of this agreement.

7.06 Educational Incentive Pay Plan.

After an employee completes twenty-six (26) longevity credits, if they have an Associate Degree (or equivalent), they will receive 12% incentive; if they have a Bachelor's Degree, they will receive 18% incentive; if they have a Master's Degree, they will receive 22% incentive.

Equivalency means sixty (60) credits* en route to Bachelor's degree. A degree must be from a school or university accredited by an authority recognized by the U.S. Department of Education.

Educational incentive shall be included in employee's regular biweekly pay and shall have the effect of increasing the employee's basic pay in the amounts indicated above.

HOLD HARMLESS CLAUSE

Those deputies that as of December 26, 1992, receive incentive pay percentages based on attainment levels which would provide lower or no incentive pay percentages based on the above incentive step schedule shall continue to receive the same incentive pay percentages as they received on December 26, 1992. Such deputies shall be placed on the above schedule when and if they reach an educational attainment level for which the above schedule will provide an increased incentive pay percentage.

*Post-high school education semester credit hours based on the University of Wisconsin-Madison semester credit evaluation system as of June 17, 1992. This includes a .666 conversion system for academic quarter credits as specified in the following paragraphs:

UW/Madison Semester Credit Conversion System

QUARTER CREDITS and other grading and course unit systems where conversion is necessary.

The official transcript is to be used as the key for translating quarter credits or units into semester hours.

Examples:

University of Minnesota: One quarter credit = 2/3rds (.666) of one semester hour.

Cornell College: One unit = four semester hours.

St. Olaf College: One unit = 3.65 semester hours.

Fractions of .5 or more are to be rounded up to the next whole number; those of .49 or less are to be rounded down to the next whole number.

The degree credits are computed by multiplying the total number of applicable credits or units by the conversion value indicated on the transcript.

Examples:

University of Minnesota: 90 quarter hours multiplied by .666=59.9 rounded upward to 60 semester hours.

St. Olaf College: 12 units multiplied by 3.65=43.8 rounded upward to 44 semester hours.

7.07 Longevity. All employees covered by the terms of this agreement shall receive $\frac{1}{2}$ longevity credit for each biweekly pay period in which the employee is compensated for forty (40) or more hours, and shall receive longevity pay as hereinafter provided:

(a) Each employee's basic rate of pay shall be increased by:

1. 3% to start on the first full biweekly pay period after employee has earned 52 longevity credits (start of year 5).
2. An additional 3% (total 6%) to start on the first full biweekly pay period after employee has earned 117 longevity credits (start of year 10).
3. An additional 3% (total 9%) to start on the first full biweekly pay period after employee has earned 169 longevity credits (after approximately thirteen [13] years).
4. An additional 3% (total 12%) to start on the first full biweekly pay period after employee has earned 221 longevity credits (after approximately seventeen [17] years).
5. An additional 3% (total 15%) to start on the first full biweekly pay period after employee has earned 260 longevity credits (after approximately twenty [20] years).

(b) Longevity pay shall be included in employee's regular biweekly pay and shall have the effect of increasing the employee's basic pay in the amounts indicated above.

(c) "Basic rate of pay" as referred to in (a) includes actual gross amounts of payroll checks written to each employee prior to the taking of any deductions except for incentive pay, and any vacation, sick leave, etc., taken in excess of credit earned.

7.08 Promotions. An employee who is promoted to a position with a higher salary range shall be placed on step to the nearest higher step in the new salary range effective as of the date of assumption of duties of the new position. If this is less than a full step in the new range, the employee shall be placed in the next higher step immediately but not in excess of the maximum of the range. Such promoted employee shall receive an additional step, unless already at the maximum of the range, effective as of the 1st day of the first full biweekly pay period following completion of 6.5 longevity credits in such position. Promoted employees who have attained the required longevity credits as defined in section 7.01*** of this agreement shall be immediately placed in pay ranges 16 or 17 steps 6 or 7 upon the date of their promotion. Those employees placed in step 6 will receive a step increase to step 7 when their total longevity credits earned are 260 or greater as defined in section 7.01 of this agreement.

7.09 Undesirable Hours Pay. Personnel working between the hours of 6:00 p.m. and 6:00 a.m. and on Saturdays, Sundays and holidays shall be compensated at the rate of two dollars (\$2.00) per hour. Employees who receive time and one-half pay or double time for time worked during such periods shall also receive undesirable hours premium pay for the same time. Educational incentive and longevity shall also be included.

7.10 Training Officer Pay. Personnel assigned to either the Field Training Officer, Jail Training Officer, Bailiff Training Officer, Airport Training Officer, Booking Training Officer or Motor Service Patrol shall receive .25 hours of compensatory time for each one (1) hour period providing training in any of the above defined positions. Personnel may not receive compensatory time for more than one training category for the same hours worked.

7.11 Bargaining Unit Work. Bargaining unit work, including that assigned on an overtime basis, shall only be performed by bargaining unit personnel unless after advance notice has been given of the opportunity to perform such work or other reasonable efforts made by the shift commander fail to provide bargaining unit personnel for such work assignments.

ARTICLE XV - SICK LEAVE

15.01 Sick Leave With Pay Credits.

(a) All employees covered by this Agreement shall be granted sick leave with pay credit at the rate of five and a half (5.5) hours of sick leave for each completed biweekly pay period of compensated service. The term "each completed biweekly pay period of compensated service" shall mean any biweekly pay period in which the employee has received compensation for forty (40) or more hours of regular time and overtime combined.

(b) The maximum accumulation of sick leave shall not exceed two thousand three hundred (2,300) hours on the last day of each contract year.

(c.) Supplemental Sick Leave Bank. If an employee has reached the maximum number of hours allowed for conversion at retirement (the "cap"), the County will automatically deposit unused, accrued sick leave hours above the cap into a supplemental sick leave bank at the end of each payroll year. The hours deposited in the supplemental sick leave bank may be used during any absence caused by a medical condition that would be covered under the Family and Medical Leave Act (FMLA). The condition must be confirmed in writing by the employee's treating physician, but the County will not require employees to submit the Health Care Provider Certification required for an FMLA leave. Employees may use the supplemental sick leave bank even if they have exhausted the number of hours available under the limitations of the FMLA during a rolling calendar year. The number of hours deposited in the supplemental sick leave bank shall be limited to 480 hours.

15.02 Sick Leave Definition. Sick leave shall be defined as time off the job because of: illness; bodily injury; exposure to a contagious disease; attendance upon members of the immediate family; death in the immediate family; and diagnostic treatment, dental procedures and optician services when such services are performed by duly licensed practitioners.

15.03 Use of Sick Leave Credits.

(a) Employees shall inform their supervisor or the Sheriff as is appropriate of their need to be absent prior to their regularly scheduled starting time the first day and each day thereafter when return to work is doubtful; when their absence can be anticipated because of an appointment, such notice shall precede the absence by five (5) days when possible.

(b) Employees may use sick leave credits for temporary emergency care of ill or injured members of their immediate family (defined in 15.04 below), not to exceed five (5) days for any one (1) illness or injury; however, the five (5) days may be extended in unusual circumstances with prior Employer approval.

(c) If an employee is absent from work for any of the reasons set forth under 15.02 of this Article, and at such time has accumulated insufficient sick leave credits to cover the time lost, the amount of time lost shall be deducted from current earnings of said employee, provided, however, that for each month worked during such calendar year by said employee during which no sick leave is taken, said employee shall be reimbursed for the time they had lost as a consequence of the insufficient accumulation of sick leave credits.

(d) Employees may at their option use vacation credits, holiday credits, or compensatory time due, to extend sick leave.

15.04 Immediate Family Definition. An employee's immediate family shall be the following relations of the employee, spouse or domestic partner: spouse, children, step-children, foster children, siblings, step-siblings, parents, step-parents, foster parents, grandchildren or grandparents. 15.05 Physical Examination by County Doctor. In the event that an employee shall have been absent under the provisions of this Article and returns to work without release from their own doctor, satisfactory to the Employer, the Employer shall have the right to direct the employee to a doctor selected and paid by the Employer. In the event that the employee shall be found fit to return to work, the employee shall be made whole for any necessary travel expense or loss of earnings incurred as a result of being directed to the County doctor. The Employer may require at the Employer's expense a medical certificate or other appropriate verification of sick leave absence.

(b) Accrued Sick Leave Credit for Surviving Spouse. In the event that an employee covered by this Agreement dies during the course of their employment and is survived by a spouse, their accrued sick leave credits, not to exceed two thousand three hundred (2,300) hours, at the time of death, shall be converted to a monetary value (hours of credit times normal hourly rate of pay or the conversion rate of pay received immediately prior to death) which shall be available toward the payment of health insurance premiums for the surviving spouse. In the event that the retired employee shall precede their spouse in death and there remains at that time to their credit a balance, such balance shall be used to purchase health and accident insurance for the surviving spouse so long as the spouse is alive and there remains a balance in the fund.

ADDENDUM B
Post Retirement Leave Conversion Plan

1.0 Purpose. Dane County has adopted a Post-Retirement Leave Conversion Medical Reimbursement Plan (hereinafter, “Medical Plan”) and a Governmental 401(a) Special Pay Plan (hereinafter, “Retirement Plan”) (together called the “Plans”) to allow retiring employees to convert accumulated leave into a supplemental retirement benefit on a mandatory basis.

2.0 General. The Plans are intended to allow some flexibility in the conversion of the unused accumulated leave. Dane County will apply a formula, set forth in Section 4.0 below, to convert a retiring employee’s unused accumulated leave (hereinafter, “Benefit”). The benefit will be paid to the retiring employee through a supplemental benefit plan.

It is the County’s intention that, to the extent permitted by law, the benefits provided by the plan not be subject to FICA taxes. In addition, to the extent permitted by law, these benefits are to be tax deferred for both federal and state income tax until the retiree withdraws them from the Plan. Employees should consult their own tax advisor to determine how to treat the supplemental benefits provided by the Plan.

Under the Plans, employees will continue to be allowed to defer their enrollment in the County’s health and dental plans for a period of up to ten years after their retirement, provided that they were participating in the health and/or dental plans at their retirement.

3.0 Post Employment Medical Account. During the period of active employment, the County will deposit \$10 per month into a post-employment medical trust account which will replace the contribution under Addendum B to the current contract. The County will work with the Union and the administrator of the new Post-Retirement Leave Conversion Medical Reimbursement Plan to explore the feasibility of transferring assets currently held by Security Benefit into the program.

4.0 Eligibility. The conversion of unused leave is automatic and mandatory upon retirement and all retiring employees with unused accumulated leave on the date of their retirement will participate in the Plan.

To “retire” and be eligible for this Plan, an employee must be a member of the bargaining unit who has reached or will reach age 50 or older, during the calendar year of retirement, must retire from employment with the County, and be eligible for retirement benefits from the Wisconsin Retirement System.

5.0 Calculation of Benefit.

5.1 Sick Leave: An employee who retires with Dane County shall receive a Benefit for the number of hours of unused accumulated sick leave held by the retiring employee on his or her date of retirement, based on the following formula: Total hours of accumulated sick leave to a maximum of 2,300 x regular hourly rate of pay or conversion rate of pay (as defined in 13.01 d) at time of retirement.

5.2 Vacation: Total hours of earned vacation leave x regular rate of pay including longevity and educational incentive pay at time of retirement.

5.3 Sabbatical/vacation bank: Total hours in the employee's sabbatical/vacation bank x regular rate of pay including longevity and educational incentive pay at time of retirement.

5.4 Holiday pay: Total hours of holiday and wellness pay x regular rate of pay including longevity and educational incentive pay at time of retirement.

6.0 Payment of Benefits.

6.1 Dane County, no later than fifteen (15) days following the final pay date of the retiring employee, shall make a contribution equal to 100% of the amount calculated under 5.2 and 5.4 to the 401(a) Retirement Plan Trust and/or 457(f) qualified deferred compensation plan in the amount of the Benefit, which shall be paid to the retiring employee according to the terms of the selected plan. Plan selection shall be based upon the age of the participant and the amount of the contribution in an effort to maximize participant tax savings without subjecting plan participants to IRS premature withdrawal penalties if applicable.

6.2 **Election of Form of Benefit:** Within thirty (30) days of receiving written notice of an employee's retirement, Dane County shall elect the form in which the retiring employee will receive the benefit under 5.1 and 5.3. The County's election of the form of benefit will be based on an interview with the retiree to collect information regarding the retiree's financial needs and/or retiree access to health care. The interview will be conducted by representatives of the Plan provider. At the option of the retiree, he or she may be accompanied by a representative of his or her collective bargaining unit. The County and/or Plan provider shall notify retiring employees of their right to have a Union representative present. The Benefit can only be paid to the retiring employee in one of the forms set forth in paragraph 6.3. Dane County will notify the retiring employee in writing (within the thirty (30) day time period identified above) of the election made by Dane County.

6.3 **Form of Payment:** Retiring employees who are eligible to receive a benefit under 5.1 and 5.3 will be paid the Benefit in one of the following forms, pursuant to the election made in paragraph 6.2:

(a) Dane County shall make an annual contribution to the PRIME Trust, or the Medical Plan Trust (selected by the parties) for the benefit of the employee to pay for health, dental, and other insurance premiums and un-reimbursed medical expenses specified under Internal Revenue Code Section 213. The annual contribution will be equal to 135% of the annual cost of health and dental insurance premiums for County sponsored insurance for the retiree and dependent(s), if any. If the retiree chooses a non-County sponsored plan, the combined annual contribution will be equal to 135% of the annual

cost of the health and dental insurance premiums for the retiree and dependent(s), if any, plus the amount of the plan deductible up to \$5,000 per person (\$10,000 maximum) or 135% of the cost of the Single (HMO) premium annually whichever is greater. If the retiree's health and /or dental insurance premium cost increases during the calendar year, the retiree shall notify the County and the County will make a supplemental contribution from the benefits in 5.1 and 5.3 above equal to 100% of the additional premium amount for that calendar year. The contributions from 5.1 and 5.3 will continue until the benefit amount calculated in 5.1 and 5.3 is exhausted by the retiree or their qualified dependent beneficiaries. If the retiree participates in outside insurance, it is the responsibility of the retiree to notify the County and provide documentation of any premium change including annual increases.

The County shall notify the Plan Administrator about any premium changes no later than October 1 prior to the effective date of the premium increase. The Plan Administrator shall notify all retirees about specifics of the premium changes, if any, no later than October 31 prior to the effective date of any increase. Retirees must notify the County of any change in the plan(s) that they will enroll in by November 15 of the preceding year. If the County does not receive such notification, the annual contribution amount shall be based upon the plan(s) that they are currently in.

If a retiree initially defers participation in the County's health and/or dental plan, and during the deferral period, determines to never participate in the County's health and/or dental plans, then the County will begin making an annual contribution equal to 135% of the family HMO health plan and the family dental plan. Such contributions will commence upon notice by the retiree to decline coverage or at the end of 10 years following retirement, whichever comes first.

An annual contribution from 5.1 and 5.3 equal to 135% of the cost of the Single (HMO) premium shall be made for retirees who choose to defer their participation in the County's health and/or dental insurance plans.

If the retiree dies before the balance in 5.1 and 5.3 is exhausted and has no surviving spouse or dependents, the County will make a payment of the remaining balance to the retiree's estate. This distribution will be subject to income tax.

- (b) Dane County shall make a contribution equal to 100% of the amount calculated in 5.1 and 5.3 to the Retirement Plan Trust and/or 457(f) qualified deferred compensation plan (selected at Dane County's discretion) in the amount of the Benefit, which shall be paid to the retiring employee according to the terms of the selected plan. Said contribution shall be made no later than twenty-one (21) days following the date on which an employee retires.

7.0 Plan Administrator

Dane County is hereby designated as the Plan Administrator. The Plan Administrator shall have the authority to control and manage the operation and administration of the Plan, including the authority to make and enforce reasonable rules or regulations for the efficient administration of the Plan. The Plan Administrator shall give reasonable notice of the availability and terms of the Plan to employees and shall keep accurate records of all benefits paid under the Plan.

8.0 Miscellaneous

- 8.1 This Plan shall be constructed and enforced according to the laws of the State of Wisconsin, where Dane County is located.
- 8.2 This document is descriptive only, and is subject in all regard to the documents establishing the Medical Plan and the Retirement Plan.

If this program becomes unavailable for any reason or if the terms of the program change in a way that may result in additional costs to the employee or to the County, the parties will meet to renegotiate the provisions.

ADDENDUM C
RETIREMENT ENHANCEMENT PROGRAM (FINAL)

The Retirement Enhancement Program (REP) is designed to assist county retirees with medical costs in retirement. Medical costs include premiums for insurance, copays, deductibles and out-of-pocket medical expenses. The program applies to county employees who retire on or after January 1, 2020.

Benefit:

The benefits under the REP are to assist retirees with medical costs. For employees with ten years of verified service, but less than twenty years of service, the county will provide the retiree with five annual payments of \$5,500 each. For employees with twenty years of verified service or more, the county will provide the retiree with ten annual payments of \$5,500 each.

The first payment will be deposited to the retiree's account after the county has been notified by the Employee Trust Funds that the employee has initiated their retirement annuity with WRS, the employee has met with Precision Retirement and the employee has terminated service with the county within that payroll year. The second and subsequent payments under the program will be deposited during the month of January of each subsequent calendar year until the five or ten payments have been made.

If an active employee dies before retirement, no payments will be made. If a retiree dies, a lump sum of the value of remaining payments due will be transferred to the retiree's account for use by their surviving spouse or dependents, if any. If there is no surviving spouse or dependents, then no further payments will be made after the retiree's death.

If an employee with at least twenty (20) years of service is injured at work, determined to be eligible for Worker's Compensation benefits, and can no longer perform their job, REP annual payments, will be provided to them after the county has been notified by the Employee Trust Funds that the employee has initiated their retirement annuity (regular or disability retirement) with WRS. No sick leave will be paid out at retirement.

Service Requirement:

To be eligible, employees must have a minimum of ten years of verified service with the county. Elected officials must have a minimum of ten years of verified combined service as an employee or one or more of the elected officials listed below. The term of service does include military service earned while a county employee, absences under Family Medical Leave, periods of disability, handbook or county ordinance leave, worker's compensation, or layoff status so long as the employee has not terminated employment.

Eligible Employees:

Eligible employees include regular full and part-time employees as well as the following elected officials: County Board Chair, County Clerk, Clerk of Courts, Sheriff, County Executive, County Treasurer, Register of Deeds. To be eligible, the employee or elected official must retire from county service and must collect an annuity under the Wisconsin Retirement System within 60 days of retirement.

Accounts:

Employees with leave balances go through the Prime Choice program to determine how their leave balances will be applied in retirement. Those retirees who are directed to the Medical Trust program have an account established with the third party administrator into which the county deposits funds related to their leave balances. Funds in this account are used by the retiree for medical expenses. The payments under the REP will be made into the retiree's Medical Trust Account in addition to any scheduled deposits from converted leave balances.

If the retiree is directed to the Special Pay Plan or has no leave balances to convert, then they will also have a Medical Trust Account established with the third party administrator specifically to receive the payments under the REP.

Retirees receive tax-free reimbursement from the third party administrator for qualified medical expenses. Reimbursements can be for one-time expenses, or the retiree can establish recurring reimbursements for recurring expenses such as monthly premiums.

Funds from the REP benefit are available to the retiree as soon as they are deposited. Funds not needed in a calendar year remain in the retiree's individual account for future use.

Adjustments

Effective December 15, 2024, the REP will be adjusted annually, on the first day of the first pay period, by the amount of the cost of living increases provided.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on this the _____ of _____, 2025.
