AGREEMENT BETWEEN THE COUNTY OF DANE

AND

WISCONSIN PROFESSIONAL POLICE ASSOCIATION
SUPERVISORY LAW ENFORCEMENT UNIT

THIS AGREEMENT, made and entered into at the City of Madison, Wisconsin, by and between the COUNTY OF DANE, a municipal corporation, as municipal employer, and representatives of certain employees who are employed by the County of Dane in the Sheriff's Department.

ARTICLE I - INTENT AND PURPOSE

1.01 Intent. It is intended that the following Agreement shall be an implementation of the provisions of Section 111.70 of the Wisconsin Statutes, consistent with that legislative authority which devolves upon the County of Dane, the statutes and, insofar as applicable, the rules and regulations relating to or promulgated by the Dane County Civil Service Ordinance. The Dane County Civil Service Ordinance in effect on January 1, 1988, shall govern the conditions of employment wherever this contract is fully silent.

1.02 Purpose. Both of the parties to this Agreement are desirous of reaching an amicable understanding with respect to the employer-employee relationship which exists between them and to enter into an Agreement covering rates of pay, hours of work, and conditions of employment.

1.03 Rights. In accordance with Section 111.70, Wisconsin State Statutes, Dane County Civil Service Ordinance and other appropriate public law, the Employer and Wisconsin Professional Police Association agree that their respective policies will not violate the rights or discriminate against any employees covered by this Agreement because of sex, creed, race, age, handicap, national origin, Union or non-Union affiliation or in the application of interpretation of the provisions of this Agreement. As a further pledge of the Employer's and Union's non-discrimination policy; complaints or allegations of discrimination will be referred to the appropriate resolution channels as established by law and shall not be covered by this contract's grievance procedure.

ARTICLE II - RECOGNITION

The municipal employer recognizes Wisconsin Professional Police Association as the exclusive bargaining representative of all regular full-time Lieutenants and Sergeants in the Sheriff's Department who have chosen the Union to represent them for the purposes of negotiating in relation to wages, hours and conditions of employment.

ARTICLE III - MANAGEMENT RIGHTS

Wisconsin Professional Police Association recognizes the prerogatives of the County to operate and manage its affairs in all respects in accordance with its responsibility and

powers or authority which the County has not officially abridged, delegated, or modified by this Agreement and such powers or authority are retained by the County. These management rights include, but are not limited to the following: the rights to plan, direct and control the operation of the work force, determine the size and composition of the work force, to hire, to lay off, to discipline or discharge for just cause, to establish and enforce reasonable rules of conduct, to introduce new or improved methods of operation, to determine and uniformly enforce minimum standards of performance, all of which shall be in compliance with and subject to the provisions of this Agreement.

ARTICLE IV - DUES DEDUCTION

4.01 Dues Deduction

(a) The Employer agrees to deduct monthly dues in the amount certified by the WPPA/LEER from the pay of employees who individually sign a dues deduction authorization form supplied by the WPPA/LEER. This deduction shall include any Local Association dues which the employee has authorized to be deducted in conjunction with the WPPA/LEER dues (the "combined dues").

(b) It shall be WPPA/LEER's responsibility to obtain dues authorization forms from new employees and provide them to employer no less than 30 days prior to the date in which dues deductions are to commence.

(c) The Employer shall deduct the combined dues amount each month for each employee requesting such deduction, upon receipt of such form and shall remit the total of such deductions, with a list of employees from whom such sums have been deducted, to the WPPA/LEER or Local Association if applicable, in one lump sum not later than the end of the month in which the deduction is made.

(d) Authorization of dues deduction by a voluntary member may be revoked upon notice in writing to the Employer, WPPA or to the Local Association.

(e) No employee shall be required to join the Association, but membership in the Association shall be made available to all employees in the bargaining unit who apply consistently with either the WPPA or local Association Constitution and By-Laws. No employee shall be denied membership because of race, creed, color, sex or other legally protected class status.

(f) It is expressly understood and agreed that WPPA/LEER will refund to the employer or the employee involved any dues erroneously deducted by the employer and paid to WPPA/LEER and/or the Local Association. The WPPA/LEER does hereby indemnify and shall save the employer harmless against any and all claims, demands, suits or other forms of liability, including court costs, that shall arise out of or by reason of action taken or not taken by the employer, which employer action or non-action is in compliance with the provisions of this Article, and in reliance on any lists or certificates which have been furnished to the employer pursuant to this Article.

ARTICLE V - SENIORITY, REDUCTION IN FORCE & REEMPLOYMENT

5.01 Seniority Definition. Each employee shall accumulate or lose seniority as follows:

(a) Seniority shall be measured by the number of longevity credits as defined in Section 7.04. For purposes of determining seniority within a job classification, when simultaneous promotions occur, the department head will designate the order of such promotions, provided, however, that as to simultaneous promotions within the Sheriff's Department occurring prior to December 19, 1976, length of county service shall be used for determining such classification seniority.

(b) Seniority shall be terminated and lost when 1) an employee resigns, retires or is discharged, 2) the employee fails to respond to a recall from layoff in accordance with Article V, Section 3.

(c) Seniority within rank shall be determined by date of promotion to such rank.

5.02 Reduction in Force. The Employer shall have the right to reduce the number of jobs or the number of hours worked in any classification because of a shortage of funds, lack of work, or because of change in organization or duties. Employees whose jobs have been eliminated or hours reduced shall have the right to bump the least senior employee in their classifications or classifications in pay ranges below in their department, provided they are qualified and can demonstrate their ability to do the junior employee's job. Such junior employees who have lost their positions as a result of a bump, shall have the right to exercise their seniority in the same manner as if their job had been eliminated. Employees who are without jobs as a result of reduction in force shall be placed on a reemployment list. Employees who do not choose to exercise their bumping rights shall also be placed on a reemployment list.

5.03 Reemployment. The employer shall maintain a reemployment list of all employees who lose their jobs due to a reduction in force. Such lists shall be in the order of the employees' seniority at the time of the reduction in force with the most senior being number one on the list. Such lists shall also show the classification(s) for which employees are qualified by their department. Employees on the reemployment list shall maintain reemployment rights for two years from the date they lost their jobs. Employees shall be recalled from the reemployment list in accordance with their seniority to the jobs for which they are qualified. Notice of reemployment shall be sent by the Employer to the employee's last known address by registered letter and the employee shall be required to respond within two (2) weeks (fourteen (14) days) from the date of notification. Employees who do not respond to such reemployment notices, shall be dropped from the reemployment list and all rights shall be lost. The Employer may require the employee responding affirmatively to a recall notice to begin work within twenty-one (21) days of his/her response to the County.

5.04 Granting of Paid Leave Requests. Long term notice vacation requests shall be granted on the basis of seniority and short term notice paid leave requests (excluding sick leave) shall be given consideration by order of their time of receipt by management.

ARTICLE VI - GRIEVANCE PROCEDURE

6.01 Grievance. A grievance is defined to be a controversy between the Union and the Employer, or between any Employee or Employees and the Employer as to:

(a) A matter involving the interpretation of this Agreement.

(b) Any matter involving an alleged violation of this Agreement in which an Employee or group of Employees or the Employer maintains that any of their rights or privileges have been impaired in violation of this Agreement, and

(c) Any matter involving working conditions.

6.02 Procedure. Grievances shall be processed in the following manner: (Time limits set forth shall be exclusive of Saturdays, Sundays, and holidays.)

Step 1. The Employee and/or the Committee Chairman shall take the grievance up orally with the Employee's immediate supervisor, who is outside of the bargaining unit, within ten (10) days of their knowledge of the occurrence of the event causing the grievance, which shall not be more than fourteen (14) days after the event. The supervisor shall attempt to make a mutually satisfactory adjustment, and, in any event shall be required to give an answer within ten (10) days.

Step 2. The grievance shall be considered settled in Step 1 unless, within ten (10) days after the supervisor's answer is due, the grievance is reduced to writing and presented to the department head. The department head shall respond to the grievance in writing within ten (10) days.

Step 3. The grievance shall be considered settled in Step 2, unless within ten (10) days from the date of the department head's written answer or last date due the grievance is presented in writing by the Union to the County Executive or his/her designee. The County Executive or designee shall respond in writing to the Committee Chairman, grievance committee or Employee representative within ten (10) days.

Step 4. If the Union grievance is not settled at the third step, either party may take the matter to arbitration as hereinafter provided.

6.03 Arbitration.

(a) The grievance shall be considered settled in Step 3 above, unless within ten (10) days after the last response is received, or due, the Union shall request in writing to the Personnel Committee or their delegate that the dispute be submitted to an impartial Umpire.

(b) The impartial Umpire, or Arbitrator shall, if possible, be mutually agreed upon by the parties. If agreement on the Arbitrator is not reached within ten (10) days after the date of the notice requesting arbitration or if the parties do not agree upon method of selecting an Arbitrator, then the Wisconsin Employment Relations Commission shall be

requested to submit a panel of five (5) Arbitrators. The parties shall alternately strike names until one remains and the party requesting arbitration shall be the first to strike a name. Each party shall pay one-half of the cost of the Arbitrator.

(c) The impartial Arbitrator shall have the authority to determine issues concerning the interpretation and application of all Articles or Sections of this Agreement. They shall have no authority to change any part; however, they may make recommendations for changes when in his/her opinion such changes would add clarity or brevity which might avoid future disagreements.

(d) With the exception of matters covered in Article VI, Section 5, the written decision of the Arbitrator, in conformity with his/her jurisdiction, shall be final and binding upon both parties, but shall not constitute a binding precedent in connection with future negotiations.

6.04 General Union Grievances. Grievances involving the general interpretation, application or compliance with this Agreement may be initiated by the Union with the third step of the procedure.

6.05 Discipline, Suspension, Discharge. Employees shall not be disciplined, suspended or discharged without good cause. A suspension shall not exceed thirty (30) calendar days. Written notice of the suspension, discipline or discharge and the reason or reasons for the action shall be given to the employee with a copy to the Union within forty-eight (48) hours. A grievance that may result from such action shall be considered waived unless presented in writing within ten (10) days of the receipt of the notice by the Employee. The grievance may be started at Step 2. If the parties agree, or the Arbitrator finds, that such discipline, suspension or discharge was improper, such disposition of the matter may be made as appears proper.

6.06 Time. The time limits set forth in the foregoing steps may be extended by mutual agreement in writing.

65 to 129.5 longevity credits	Step 2
130 to 168.5 longevity credits	Step 3
169 to 259.5 longevity credits	Step 4
260+ longevity credits	Step 5

The employee will advance to the next step after attaining an additional 6.5 longevity credits and subsequently the next step(s) after attaining an additional 13 longevity credits up to and including Step 6. Step 7 will be attained when the employee has attained 234 longevity credits from the date of hire and has been at Step 6 for 13 longevity credits.

An employee who is promoted from a Sergeant position to a Lieutenant position will be placed at Range 19 on the step that will give the employee a full step increase. The employee will advance to the next step after attaining an additional 6.5 longevity credits and subsequently the next step(s) after attaining an additional 13 longevity credits up to Step 6. Step 7 will be attained when the employee has attained 234 longevity credits from the date of hire and have been at Step 6 for 13 longevity credits.

7.06 Undesirable Hour Pay. Personnel working between the hours of 6:00 p.m. and 6:00 a.m. and on Saturdays, Sundays and holidays shall receive undesirable hours pay of two dollars (\$2.00) per hour. Employees who receive time and one-half pay or double time for time worked during such periods shall also receive undesirable hours premium pay for the same time. Educational incentive and longevity shall also be included.

7.07 Schedules During Vacations, etc. The Employer agrees to employ sufficient employees to adequately man the various shifts and departments during times of vacation, sickness or other authorized absences from duty. In the event that a Sergeant or Lieutenant position is vacated on a temporary basis and that position's work is assigned on an overtime basis, it shall first be offered to qualified Sergeants and Lieutenants. In no event shall the employer be required to fill a vacant position or to fill a vacant position on an overtime basis. Officers in the non-supervisory unit shall not be used to replace employees from this unit on a temporary reassignment basis if such officers are in turn replaced by other officers from the non-supervisory unit on an overtime basis.

7.08 Weekend and Holiday O.I.C. Assignments. All bargaining unit members currently assigned to the day shift, shall be rotated into weekend "officer in charge" assignments, unless exempted by the Sheriff or designee. Personnel assigned to weekend OIC will receive two dollars (\$2.00) per hour. Weekend OIC hours shall be defined as anytime

between 7:00 a.m. Saturday and 7:00 a.m. Monday. This will also apply to holidays assigned as “officer in charge”.

7.09 School Attendance, etc. An employee’s time off while attending schools, workshops and duly authorized law enforcement conferences, is not to be charged to overtime, vacation or holidays; but instead, such days shall be considered as part of their normal and regular tour of duty.

7.10 Temporary Reassignment. An employee who is temporarily reassigned to a classification in a higher pay range shall receive two dollars and sixty cents (\$2.60) per hour of such assignment.

7.11 Separation from County Service. On the next regular pay day after the effective date of the discharge, layoff, resignation, retirement, or death, an employee shall be paid the regular salary, vacation, holiday, and overtime accumulated through such date of discharge, layoff, resignation, retirement, or death. In the event of retirement, the employee will be paid all benefits accumulated through their projected date of retirement at the rate in effect at the date of actual retirement.

7.12 Rehire of Retiree. (a) A retiree who is recalled pursuant to subpoena or for other official reasons to perform work of any kind shall be paid at the then current wage, based on his/her previous wage step, including any additives previously attained. Retirees shall also receive mileage reimbursement at the IRS rate for a subpoena outside of Dane County.

(b) Retired members of the Association may be hired for the non-traditional assignments of background investigator and evidence clerk. Such employees will be compensated at a rate of \$20.25 per hour for the term of the agreement. All such employees will receive the same rate of pay regardless of rate of pay at the time of their retirement.

7.13 Supervisors Driving a Motor Vehicle Under a CDL. Dane County purchased a prisoner transport bus with a passenger capacity of 23 persons. Federal regulations require operators of vehicles designed to transport more than 16 people to hold a class “C” CDL with a “P” endorsement. All sworn personnel, on a conveyance, need to be able to legally operate the vehicle in case of emergency.

Federal regulations require CDL operators to be subject to random alcohol and controlled substance testing. Drug and alcohol screening of CDL holders is managed by Dane County Risk Management, and screenings are conducted through a third party vendor paid for by the County. Dane County employees who hold CDLs are selected for testing from a larger pool as outlined in the Dane County Administrative Practices Manual.

Dane County Sheriff’s Office agrees to reimburse employees, required to have a CDL, the costs associated with the written test, road test, license renewal and other related expenses related to obtaining and maintaining the CDL with proper endorsements.

The DCSSA agrees that members who hold a CDL for the purpose of prisoner transport and operation of the bus will be subject to Federally mandated random drug and alcohol screening as a condition of the licensing.

In the event that a member tests positive for drugs or alcohol they will be temporarily reassigned to duties other than prisoner transport. Such reassignment will not be considered disciplinary action. Nothing in this section prohibits the Sheriff from seeking disciplinary action against an employee as provided under section 6.05 of the labor agreement.

If a member chooses not to or is not able to maintain a CDL, they will be reassigned to duties other than transport. Such reassignment will not be considered disciplinary action.

7.14 Supervisors Assigned to the Alliant Energy Center. When sworn on-duty Law Enforcement Officers are requested for Special Duty Assignments- i.e., duty that does not constitute a "call for service"- by the Alliant Energy Center or by any organization conducting business at the Center and its related properties or at any of those related properties, and such services are performed by Deputies from the Dane County Deputy Sheriff's Association, such Deputies will be supervised by members of the DCSSA bargaining unit. Assignment of Association members may be on overtime, or as voluntary supplemental employment under DCSO policy or as part of their normal work shift if special circumstances exist.

7.15 Honor Guard. When a Supervisor performs approved duties for the Honor Guard Unit they will receive comp time for the duties performed outside of their normal work day. It is understood that scheduled work hours may be changed if needed to participate in an approved event.

ARTICLE VIII - WORK SCHEDULE

8.01 Employees Working Days. The basic work day for supervisory unit employees who work days shall consist of eight (8) consecutive hours ending no later than 6:00 p.m. Such may be adjusted by mutual agreement between the employee, the Association and the employer. The basic work week shall be forty (40) hours.

8.02 Employees Working Second or Third Shifts. Supervisory unit employees who work the second or third shift shall be scheduled to work six (6) consecutive days, at 8.5 hours per day and, thereafter shall have three (3) consecutive days off. Said employees will have a basic work day of 8.5 hours and an average basic work week (annually) not to exceed forty (40) hours. Overtime accrual for said employees (under Section 14.01) will be after 8.5 hours and not 8 hours.

8.03 Special Provisions for Second and Third Shift Employees. Notwithstanding any of the provisions of the Agreement between the County and the Association, employees on second and third shifts shall earn and expend the following benefits on the following basis:

	Earned	Expended
Holiday	8.5 hours	8.5 hours
Vacation	8.5 hours	8.5 hours
Sick Leave	8.0 hours	8.5 hours

Vacation and holiday credits based on hours worked and shift assignment will be calculated at the beginning of each payroll year. In the event of a shift transfer during the payroll year an employee's holiday and vacation credit will remain as calculated at the beginning of that payroll year.

8.04 Double Shifts. It is mutually understood and agreed that working a double shift (i.e., two shifts in any one twenty-four hour period) is undesirable.

8.05 Jury Duty. Employees whose scheduled hours of work include shifts that immediately precede and/or follow a day of jury duty shall only be required to work one (1) of these shifts, which shall be selected at the employee's discretion, and the jury duty day shall be substituted for the other shift and shall be considered as their shift for that day. The term immediate shall mean eight (8.5) hours or less before or after the jury duty day. If jury duty is canceled more than forty-eight (48) hours before the scheduled start time, the affected employees shall work their normal schedule. It is an employee's responsibility to notify his/her supervisor of the scheduled jury duty and which work shift will not be worked. The maximum amount of pay an employee may receive under this provision shall not exceed the pay the employee would have received working his/her regularly scheduled hours.

ARTICLE IX - PROMOTIONAL PROCEDURE

9.01 Promotion Qualifications. In order to qualify to apply for promotion, the applicant must be a member of their department as follows:

For Lieutenant or classification of equal rank--have the rank of Sergeant.

9.02 Promotional Tests. Promotional tests shall consist of a written and oral examination, the scores from which will be averaged with an additional point for each full year of service, (up to twelve (12) points) to be added to this average to compute the final grade. The County agrees that it will post notice of educational opportunities. The testing procedure may be waived by the Employer, with notice to the President of the Association, if there are twelve (12) or fewer applicants for the position. The employer may, at its option, use a promotional process in lieu of, or in addition to, the oral and written examination provided in this section.

ARTICLE XVIII-CAREGIVER LEAVE POLICY

Section 1: General Policy

All Dane County Employees will receive 80 hours (prorated for less than 1.0 FTE) of Caregiver Leave once per payroll year for a qualifying leave of absence.

The purpose of this new leave benefit is to provide employees flexibility to address situations where an employee needs to provide care to an immediate family member who has a serious medical condition.

Section 2: Definitions

1. Immediate family member – shall have the meaning it does under the federal Family Medical Leave Act. Covered family members are employee's spouse, employee's domestic partner, child, or parent.
 - a. "Spouse" means a husband or wife, including those in same-sex marriages;
 - b. "Domestic partner" is defined by Wis. Stat. 770.01 (1) and means an individual who has signed and filed a declaration of domestic partnership in the office of the register of deeds of the county in which he or she resides.
 - c. "Child" means a biological, adopted or foster child; a stepchild; a legal ward; or a child of a person standing in loco parentis who is either under age 18 or age 18 or older and "incapable of self-care because of a mental or physical disability;"
 - d. "Parent" is defined as a biological, adoptive, step or foster father or mother, or any other individual who stood in loco parentis to the employee when he or she was a minor."
 - e. Family members not covered by the federal FMLA include siblings, in-laws, grandparents and other extended family members unless those individuals stood "in loco parentis" to the employee when they were a minor. Nonfamily members can also be considered to have stood in loco parentis, which is defined as having had the responsibility of providing day-to-day care to the employee and of financially supporting the employee in their childhood.
2. Eligible employee – is defined as a regular budgeted employee of Dane County who is entitled to accrue leave balances. Limited term employees are excluded from this policy.
3. Serious medical condition – shall have the meaning it does under the federal Family Medical Leave Act. Section 101(11) of FMLA defines serious health condition as "an illness, injury, impairment, or physical or mental condition that involves: (1) inpatient care in a hospital, hospice, or residential medical care facility; or (2) continuing treatment by a health care provider."

Section 3: General Provisions

1. An employee's use of Caregiver leave must run concurrently with a Leave of Absence under the Family Medical Leave Act, if an employee is eligible for FMLA. Eligible employees shall apply for and use FMLA concurrently with Caregiver Leave. Employees not eligible for FMLA shall apply for a Leave of Absence under County Ordinance 18.29(3) or under the Employee Benefit Handbook and use that leave of absence concurrently with Caregiver Leave.
2. Caregiver leave hours may be used in conjunction with other forms of paid or unpaid time off available to the employee. This includes, but is not limited to: sick, vacation, holiday, wellness, and unpaid time off.
3. Notwithstanding Section 3, item #2, Caregiver Leave cannot be used when Paid Parental Leave is available to the employee.
4. Employees on Caregiver Leave will also continue to receive compensation for fixed holidays on the same basis as if working.
6. Employees may only be approved for Caregiver Leave once during a payroll year. Multiple FMLAs to provide care to more than one immediate family member do not provide the employee with an additional grant of 80 hours, however the total grant hours may be used for multiple family members during the same payroll year.
7. Employees must provide documentation and notification in a timely manner.
8. Caregiver Leave does not accrue and any time not used at the end of the payroll year will be lost.

5. Full-time employees who have had their application approved, will receive 80 hours of Caregiver Leave. Part-time employees who have had their application approved will have their benefit time prorated according to their full-time employment status. For example, 0.5 FTEs who are approved will receive 40 hours.

ADDENDUM B
Post Retirement Leave Conversion Plan

1.0 Purpose. Dane County has adopted a Post-Retirement Leave Conversion Medical Reimbursement Plan (hereinafter, "Medical Plan") and a Governmental 401(a) Special Pay Plan (hereinafter, "Retirement Plan") (together called the "Plans") to allow retiring employees to convert accumulated leave into a supplemental retirement benefit on a mandatory basis.

2.0 General. The Plans are intended to allow some flexibility in the conversion of the unused accumulated leave. Dane County will apply a formula, set forth in Section 4.0 below, to convert a retiring employee's unused accumulated leave (hereinafter, "Benefit"). The benefit will be paid to the retiring employee through a supplemental benefit plan.

It is the County's intention that, to the extent permitted by law, the benefits provided by the plan not be subject to FICA taxes. In addition, to the extent permitted by law, these benefits are to be tax deferred for both federal and state income tax until the retiree withdraws them from the Plan. Employees should consult their own tax advisor to determine how to treat the supplemental benefits provided by the Plan.

Under the Plans, employees will continue to be allowed to defer their enrollment in the County's health and dental plans for a period of up to ten years after their retirement, provided that they were participating in the health and/or dental plans at their retirement.

3.0 Post Employment Medical Account. During the period of active employment, the County will deposit \$10 per month into a post employment medical trust account which will replace the contribution under the Post Employment Health Plan. The County will work with the Union and the administrator of the new Post-Retirement Leave Conversion Medical Reimbursement Plan to explore the feasibility of transferring assets currently held by Security Benefit into the program.

4.0 Eligibility. The conversion of unused leave is automatic and mandatory upon retirement and all retiring employees with unused accumulated leave on the date of their retirement will participate in the Plan.

To "retire" and be eligible for this Plan, an employee must be a member of the bargaining unit who has reached or will reach age 50 or older, during the calendar year of retirement, must retire from employment with the County, and be eligible for retirement benefits from the Wisconsin Retirement System.

5.0 Calculation of Benefit.

5.1 Sick Leave: An employee who retires with Dane County shall receive a Benefit for the number of hours of unused accumulated sick leave held by the retiring employee on his or her date of retirement, based on the following formula: Total hours of accumulated sick leave to a maximum of $2,300 \times$ regular hourly rate of pay or conversion rate of pay (as defined below) at time of retirement.

The Department of Administration will determine the average hourly rate of filled management employees, the “Average Manager Hourly Rate” for each payroll year. The “Conversion Rate” for an employee will be the greater of their current normal hourly rate or the Average Manager Hourly Rate.

5.2 Vacation: Total hours of earned vacation leave x regular rate of pay including longevity and education incentive pay at time of retirement.

5.3 Sabbatical/vacation bank: Total hours in the employee’s sabbatical/vacation bank x regular rate of pay including longevity and education incentive pay at time of retirement.

5.4 Holiday pay: Total hours of holiday and wellness pay x regular rate of pay including longevity and education incentive pay at time of retirement.

5.5 Insurance Payments: Retirees who participate in the County’s health insurance plan will receive \$90 per month to be used toward health and/or dental insurance costs for four (4) years.

6.0 Payment of Benefits.

6.1 Dane County, no later than fifteen (15) days following the final pay date of the retiring employee, shall make a contribution equal to 100% of the amount calculated under 5.2 and 5.4 to the 401(a) Retirement Plan Trust and/or 457(f) qualified deferred compensation plan in the amount of the Benefit, which shall be paid to the retiring employee according to the terms of the selected plan. Plan selection shall be based upon the age of the participant and the amount of the contribution in an effort to maximize participant tax savings without subjecting plan participants to IRS premature withdrawal penalties if applicable.

6.2 Election of Form of Benefit: Within thirty (30) days of receiving written notice of an employee’s retirement, Dane County shall elect the form in which the retiring employee will receive the benefit under 5.1 and 5.3. The County’s election of the form of benefit will be based on an interview with the retiree to collect information regarding the retiree’s financial needs and/or retiree access to health care. The interview will be conducted by representatives of the Plan provider. At the option of the retiree, he or she may be accompanied by a representative of his or her collective bargaining unit. The County and/or Plan provider shall notify retiring employees of their right to have a Union representative present. The Benefit can only be paid to the retiring employee in one of the forms set forth in paragraph 6.3. Dane County will notify the retiring employee in writing (within the thirty (30) day time period identified above) of the election made by Dane County.

6.3 Form of Payment: Retiring employees who are eligible to receive a benefit under 5.1 and 5.3 will be paid the Benefit in one of the following forms, pursuant to the election made in paragraph 6.2:

(a) Dane County shall make an annual contribution to the PRIME Trust, or the Medical Plan Trust (selected by the parties) for the benefit of the employee to pay for health, dental, and other insurance premiums and un-reimbursed medical expenses specified under Internal Revenue Code Section 213. The

annual contribution will be equal to the benefit under 5.5 above (if the retiree participates in the County health insurance plan) and an amount from the benefit under 5.1 and 5.2 above such that when combined with the benefit under 5.5, if applicable, will be equal to 135% of the annual cost of health and dental insurance premiums for County sponsored insurance for the retiree and dependent(s), if any. If the retiree chooses a non-County sponsored plan, the combined annual contribution will be equal to 135% of the annual cost of the health and dental insurance premiums for the retiree and dependent(s), if any, plus the amount of the plan deductible up to \$5,000 per person (\$10,000 maximum) or 135% of the cost of the Single (HMO) premium annually whichever is greater. If the retiree's health and /or dental insurance premium cost increases during the calendar year, the retiree shall notify the County and the County will make a supplemental contribution from the benefits in 5.1 and 5.3 above equal to 100% of the additional premium amount for that calendar year. The contributions from 5.1 and 5.3 will continue until the benefit amount calculated in 5.1 and 5.3 is exhausted by the retiree or their qualified dependent beneficiaries. If the retiree participates in outside insurance, it is the responsibility of the retiree to notify the County and provide documentation of any premium change including annual increases.

The County shall notify the Plan Administrator about any premium changes no later than October 1 prior to the effective date of the premium increase. The Plan Administrator shall notify all retirees about specifics of the premium changes, if any, no later than October 31 prior to the effective date of any increase. Retirees must notify the County of any change in the plan(s) that they will enroll in by November 15 of the preceding year. If the County does not receive such notification, the annual contribution amount shall be based upon the plan(s) that they are currently in.

If a retiree initially defers participation in the County's health and/or dental plan, and during the deferral period, determines to never participate in the County's health and/or dental plans, then the County will begin making an annual contribution equal to 135% of the family HMO health plan and the family dental plan. Such contributions will commence upon notice by the retiree to decline coverage or at the end of 10 years following retirement, whichever comes first.

An annual contribution from 5.1 and 5.3 equal to 135% of the cost of the Single (HMO) premium shall be made for retirees who choose to defer their participation in the County's health and/or dental insurance plans.

If the retiree dies before the balance in 5.1 and 5.3 is exhausted and has no surviving spouse or dependents, the County will make a payment of the remaining balance to the retiree's estate. This distribution will be subject to income tax.

- (b) Dane County shall make a contribution equal to 100% of the amount calculated in 5.1 and 5.3 to the Retirement Plan Trust and/or 457(f) qualified

deferred compensation plan (selected at Dane County's discretion) in the amount of the Benefit, which shall be paid to the retiring employee according to the terms of the selected plan. Said contribution shall be made no later than twenty-one (21) days following the date on which an employee is last paid.

7.0 Plan Administrator

Dane County is hereby designated as the Plan Administrator. The Plan Administrator shall have the authority to control and manage the operation and administration of the Plan, including the authority to make and enforce reasonable rules or regulations for the efficient administration of the Plan. The Plan Administrator shall give reasonable notice of the availability and terms of the Plan to employees and shall keep accurate records of all benefits paid under the Plan.

8.0 Miscellaneous

- 8.1 This Plan shall be constructed and enforced according to the laws of the State of Wisconsin, where Dane County is located.
- 8.2 This document is descriptive only, and is subject in all regard to the documents establishing the Medical Plan and the Retirement Plan.

If this program becomes unavailable for any reason or if the terms of the program change in a way that may result in additional costs to the employee or to the County, the parties will meet to renegotiate the provisions of this addendum.

ADDENDUM C

Dane County Retirement Enhancement Program

Final

The Retirement Enhancement Program (REP) is designed to assist county retirees with medical costs in retirement. Medical costs include premiums for insurance, copays, deductibles and out-of-pocket medical expenses. The program applies to county employees who retire on or after January 1, 2020.

Benefit:

The benefits under the REP are to assist retirees with medical costs. For employees with ten years of verified service, but less than twenty years of service, the county will provide the retiree with five annual payments of \$5,500 each. For employees with twenty years of verified service or more, the county will provide the retiree with ten annual payments of \$5,500 each.

The first payment will be deposited to the retiree's account after the county has been notified by the Employee Trust Funds that the employee has initiated their retirement annuity with WRS, the employee has met with Precision Retirement and the employee has terminated service with the county within that payroll year. The second and subsequent payments under the program will be deposited during the month of January of each subsequent calendar year until the five or ten payments have been made.

If an active employee dies before retirement, no payments will be made. If a retiree dies, a lump sum of the value of remaining payments due will be transferred to the retiree's account for use by their surviving spouse or dependents, if any. If there is no surviving spouse or dependents, then no further payments will be made after the retiree's death.

If an employee with at least twenty (20) years of service is injured at work, determined to be eligible for Worker's Compensation benefits, and can no longer perform their job, REP annual payments, will be provided to them after the county has been notified by the Employee Trust Funds that the employee has initiated their retirement annuity (regular or disability retirement) with WRS. No sick leave will be paid out at retirement.

Service Requirement:

To be eligible, employees must have a minimum of ten years of verified service with the county. Elected officials must have a minimum of ten years of verified combined service as an employee or one or more of the elected officials listed below. The term of service does include military service earned while a county employee, absences under Family Medical Leave, periods of disability, handbook or county ordinance leave, worker's compensation, or layoff status so long as the employee has not terminated employment.

Eligible Employees:

Eligible employees include regular full and part-time employees as well as the following elected officials: County Board Chair, County Clerk, Clerk of Courts, Sheriff, County Executive, County Treasurer, Register of Deeds. To be eligible, the employee or elected

official must retire from county service and must collect an annuity under the Wisconsin Retirement System within 60 days of retirement.

Accounts:

Employees with leave balances go through the Prime Choice program to determine how their leave balances will be applied in retirement. Those retirees who are directed to the Medical Trust program have an account established with the third party administrator into which the county deposits funds related to their leave balances. Funds in this account are used by the retiree for medical expenses. The payments under the REP will be made into the retiree's Medical Trust Account in addition to any scheduled deposits from converted leave balances.

If the retiree is directed to the Special Pay Plan or has no leave balances to convert, then they will also have a Medical Trust Account established with the third party administrator specifically to receive the payments under the REP.

Retirees receive tax-free reimbursement from the third party administrator for qualified medical expenses. Reimbursements can be for one-time expenses, or the retiree can establish recurring reimbursements for recurring expenses such as monthly premiums. Funds from the REP benefit are available to the retiree as soon as they are deposited. Funds not needed in a calendar year remain in the retiree's individual account for future use.

Adjustments

Effective December 15, 2024, the REP will be adjusted annually, on the first day of the first pay period, by the amount of the cost of living increases provided.
