Second step of each respective salary range is reached after six and one-half (6.50) longevity credits and all remaining steps after each additional thirteen (13) longevity credits.

Actual pay based on hourly rates: annual rates based on hourly conversions.

\* Based on two thousand eighty (2,080) hours per year.

NOTE: "LC" means "Longevity Credits" as defined in Longevity Policy in the Employee Benefit Handbook. The longevity schedule, as presented, assumes that an employee is hired at step 22 and moves straight through the schedule without receiving half steps.
