SAFETY MANUAL – VEHICLE OPERATIONS:

1.0 INTRODUCTION

The purpose of this policy is to specify standards for Dane County employees and volunteers who operate vehicles in conducting official Dane County business. Department heads are responsible for implementation and enforcement of this vehicle usage policy, as well as any specific Department policies which may supersede this policy. This Policy covers:

- Vehicles
- Drivers & Passengers
- Safety Requirements
- Maintenance
- Parking
- What to do if there is an accident

2.0 VEHICLES

This policy applies to:

- Privately owned (or privately leased) vehicles when being used while performing official County business – however, Dane County employees and volunteers must not use motorcycles (exception DCSO) or mopeds to conduct official Dane County business;
- All vehicles owned by Dane County (all vehicles owned by Dane County have a clearly identifiable Dane County logo); and
- All vehicles leased by Dane County.

The County will reimburse employees as specified in the applicable Collective Bargaining Agreement and/or County Ordinances for authorized mileage expenses incurred while on official County business and documented on a travel expense voucher form indicating starting and ending point for each trip. Commuting expenses between an employee's residence and normal place of employment are not reimbursable.

Dane County may assign vehicles to a County Department, Officer or employee under these circumstances:

- When the duties or responsibilities of the Department, Officer, or Employee includes frequent and regular calls;
- For deputized staff, based on assignment;
- As provided in contracts or agreements; or
- Otherwise needed to conduct official County business as determined at the discretion of the Department Head.

Any employee or volunteer who would like to use a pool vehicle must contact the designated person within their Department to initiate a request.

- With Department Head approval and based upon a bona fide non-compensatory business reason to require an employee to commute to and/or from work, a county employee may be assigned a County owned vehicle to be driven to and from work (commuting).
- Personal usage of assigned County owned vehicles is restricted to travel from home to the assigned work site and back home, with minimal incidental stops. In other words, County

owned vehicles may not be used for more than incidental personal transportation, and may never be used on a personal vacation.

- Employees assigned County vehicles that may be used for commuting purposes shall be required to follow Internal Revenue Service (IRS) regulations. The value of commuting use of an employer-provided vehicle is specified per IRS regulations.

An employee who is required to maintain a valid driver's license (and/or a Commercial Driver's License or "CDL") as a condition of his/her employment with Dane County, shall report a suspension or revocation of his/her license to his/her department head IMMEDIATELY upon receipt of notification from the Department of Transportation.

Examples of "unauthorized passengers" include, but are not limited to non-employee-friends and family members.

Dane County recognizes an exception to this authorized/unauthorized passenger policy for County employees driving vehicles such as highway trucks who assist during emergencies and place a passenger(s) in the truck to stay warm or, if no phone or radio is available, drive someone to the nearest phone.

Risk Management will review Motor Vehicle Records (MVRs) of all employees and volunteers who operate a vehicle to conduct official County business according the following chart:

The Risk Manager will review MVRs for certain infractions or incidents, including but not limited to:

- Driving without a valid driver's license;
- Suspension or revocation of driver's license;
- A driving violation received while on the job;
- Off the job incidents will be considered if there is a reasonable relationship between the off the job conduct and the employee's job duties.
